## Chemawa Makes Good Showing in Big Nine Jamboree

The Big Nine Jamboree held at Gresham on December 5, was the scene of ten fighting, scoring basketball teams with each team fighting for the honor of being called the best team on the floor. Forty minutes of basketball kept the crowd cheering as Chemawa, Silverton, Canby, Parkrose, and Molalla won over their opponents in hotly fought periods of play.

In the fourth quarter when Chemawa outplayed Sandy 7 to 4, Chemawa's Boby LaRoque won high scoring honors with 4 points, closely followed by W. Teton who made the other 3 points. The first five minutes of play was decidedly Sandy's until Chemawa started the scoring spree by Bill Jackson's good defensive playing. Takesenemy, who has a wicked eye, also played a very good defensive game.

Molalla won high scoring honors of the evening by bucketing 9 points from their opponents.

## W.U. Frosh Nose Out Braves

On November 27, the Chemawa Redskins were "beat out" 40 to 38 by the Willamette University Indians home floor.

Though the Indians were fast and showed much spirit they were not tall enough for the Frosh. The Chemawans were leading the score 16 to 14 at the end of the first quarter. By the end of the second quarter they were trailing 27 to 29.

Individual scoring honors went to Louis Youngman with 9 points. Youngman is a fine ball handler and a good shot.

Bill Jackson played a very fast game. The starting line-up was: Takesenemy, center; Whitford, Jackson, guards; Youngman, W. Teton, forwards.

The other warhoops who played good basketball were LaRoque, Demo, Walters, Saluskin, and E. Davis.

## Papooses Wapoo Deaf School

Captain Ray Tissidimitt led his Chemawa Papooses to victory with a score of 40 to 19 over the Oregon State Deaf School November 27, on the Indians own floor.

Tissidimitt and Edwin Teton shared the high scoring honors with 12 points apiece. Starting line-up was: Maxwell, center; Tissidimitt, and Teton, forwards; Seymour, and Whitlaw, guards.

Other Papooses who showed ability were: Cashimere, Edden, Stops, and Mouwitch.

The little Chiefs have a good team and we all wish them a successful season.

## Walt Erickson, former W.U. Star, Main Speaker at Football Banquet

Good eats? You said it! The team, the coach, and the special guests had a "swell" time on December 3, at the annual Football Banquet given by the senior girls in Hawley hall.

The decorations were carried out emphasizing the school colors and the approaching Christmas holidays.

The speakers of the evening were Professors Sparks and Erickson from the Willamette University. Coach Olds was the toast master for the occasion.

To express their appreciation and "thanks" for putting on the banquet, the team presented the senior girls with two large boxes of chocolates. However, the team didn't forget who had charge of the affair for they also gave Mrs. Cronk and Miss White a box of chocolates, too.

## Grade School Activities

The fourth and seventh grades are putting out the school paper. They hope to get it out before Christmas. The youngsters are contributing campus happenings and all Chemawa news in general. They do all their newsprper writing during English period and their paper during Art.

This class is also studying Europe. Each student has picked a country. They learn the customs of dress and how the people live in each country.

Both of these projects together take up their time and they are kept very busy all day long.

The fifth grade has two basketball teams, the Tigers and the Bears, who play each other on their gym day.

They are also learning how to be good and useful citizens. They have made charts and have class discussions on points brought out by pupils. They are all interested in football, mostly the Rose Bowl game.

The first four grades are all making Christmas gifts and decorations. The girls are making aprons, dolls, and other useful articles. The boys are making model airplanes, guns, checkerboards and doll-houses. These should prove to be very useful as well as educational projects.

*Happy New Year*
