Future Leaguers Turnout

On March 11, Coach "Stew" Stewart sent Indian runners to McNary, to set up notices for all baseball players (under 19 yrs. of age) to report to the gym.

There were 20 boys who reported. Among them were found three returning lettermen: Preston Davis, outfielder; Louis Beaudry, outfielder; Herbert Bennett, catcher. Tony Skahan, who has also returned, saw a lot of action on second and third base. Other boys who show possibilities are: Don Williams, Harris Teo, Walter Snapps, Justin Wilson, Pete George, and Chuck Sams. The first game is scheduled for March 27.

Indian Runners Turnout

When the braves were called to turn out for track, 12 young warriors reported, with only three lettermen returning from last year's track team.

The track boys who returned from last year were: George Walters, Henry Demo, and Robert Edden. Others who will see lots of actions will probably be Louis "Bugs" Youngman, a newcomer, Clifford McMeel, Don Williams, Harvey Whitford, Ervin Edden, Edgar Saluskin, Carl Wood, and Herman Ducharm.

The track men are getting ready for the Hill Military Meet in Portland, Friday, March 27.

A.A.U. Tournament

The Amateur Athletic Union Boxing Tournament will be held in Portland starting April 1st, when Chemawa is to be represented by three of its worthy "pugs", Clarence LaRoque, Walter Champine and Dan Snipe. Snipe, a former student of Chemawa, was winner of the A.A.U. boxing tournament two years in a row held in Portland in 1941, and won a trip to Boston to compete in the National A.A.U. title. He won his first two bouts but was eliminated in the matches.

LaRoque winner of the preliminaries in Portland in '41 will again compete this year in the light weight class.

The tournament slated for April 1st will bring together a fine aggregation from all parts of the state.

CYO Enjoy Dancing

"Super-colossal" was the way most of the students described the Catholic dance given for them in the lower part of the Catholic Church by the Catholic Daughters of America on March 13.

The students spent the evening swinging and swaying in and out among the posts in their gayly decorated room.

The music was furnished by radio-phonograph and must have been rhythmic for "they say" the floor was too small for the crowd! Towards the latter part of the evening, the students were all treated with ice-cream bars.

So, for the careful planning and giving the dance, the music, the ice-cream bars, and the good time, the members of the C.Y.O. extend their many thanks to the Catholic Daughters of America!
