

Summary of Sport Activities

Hoopsters Turn-out

When coach "Lefty" Wilder sent out calls for hoopsters on November 30, twenty-six boys answered the call. Of this only one last year's varsity letterman, Don Williams, returns.

The boys are divided into two groups, the freshman and sophomores, who practice in the morning after breakfast; and the juniors and seniors, at four o'clock in the afternoon.

Coach Wilder has hopes of a good team this season. Harry Bull Shows and Robert Eickmeyer are the managers of basketball.

Independence downs Chemawa

An exciting basket-ball game started December 15, at the gong of 7:30 p. m. in Chemawa's gym.

Our team went ahead with a bang the first half. They kept on sinking the 'ole ball in with success until the third quarter, when the Independence boys started to forge ahead.

The visitors showed good spirit all the way through the game, though they were behind part of the time.

The first half of the game the score was 14-11 in favor of Chemawa. The final score showed 21-25 in favor of Independence.

The players who put up a good fight for our team were: Edgar Saluskin, Don Williams, Louis Youngman, George Walters, and Harvey Whitford.

The substitutes for the night who showed good sportsmanship were: Vincent "Beanie" Adolph and Herbert Bennett. They took the places of Saluskin and Walters.

Our announcer for the night was Pete George who rumbled out every once in awhile and the time-keeper, Tony Skahan, who had to keep track of every second.

The game was played very quickly and fairly and showed good teamwork on both sides.

Indians Lose to Casper-Cutler

The Casper-Cutler basketball team from Salem, Oregon, downed the Chemawa Redskins in a tight practice game last Wednesday, December 8, in the Chemawa gymnasium.

The first three quarters were an all Chemawa affair, but the Redskins were overcome in the last quarter by a rally staged by the Salem team. Chemawa led at halftime by a score of 15 to 4.

High point man for the game was Chemawa's guard, Don Williams, with nine points, followed by Don Cutler of Salem with eight.

This was only a practice game so it will not be counted against the Redskins. The Casper-Cutler quintet is formed by former High School stars, so, judging from the score, Chemawa should have a very good team this year.

Winona Girls Hear Home Concert

At the request of Miss Semanski, the girl's advisor, Mr. H. Kunkel, the music instructor of the Chemawa Campus responded by appearing with his orchestra at Winona Hall on the evening of Dec. 9, to give a very enjoyable concert. His orchestra consists of famous Chemawa musicians—Mr. and Mrs. Ruthyn Turney, Mr. Charles E. Larson, and Mr. Robair Thomas.

Mr. Kunkel made the music very understandable by introducing each number with a short account of the composer and the story behind the piece.

The concert included the following selections: "Triumphal March from Aida," by Verdi; "Moonlight Frolic," by Weixelbaum; "Song of India," by Korsahow; "Fairy Tales," by Komzak; "Funeral March of a Marionette," by Gounod; and "Fado Blanquita," by Retana.

The girls of Winona hall expressed their appreciation and hope to have Mr. Kunkel and his orchestra play again soon. Supt. Jackson and other employees, who were present, were also delighted with the concert.

Refreshments added a final "homey" touch to a memorable evening.

First Air Raid Drill Successful

On Dec. 1, 1942, the student body and faculty members met in the auditorium for an assembly. Mr. Jackson gave instructions on what to do during an air raid and Miss Rector led a few songs. Mr. Jackson stated that we would have an assembly or some student group meeting every Tue. morning at 11 o'clock. It is hoped that these assemblies will provide greater opportunity for student self-expression.

Chemawa had its first air raid drill on December 2. The air raid wardens gave the yellow warning at 11 o'clock. The students marched back to the buildings and got under their own beds as they were instructed. The employees were posted at different sections of the campus. The air raid drill went off well for the first try-out.

The buildings and campus are inspected regularly each two weeks by Dr. Faxon or Miss Page and Mr. Jackson. This is reported at the store bulletin, showing sanitary or unsanitary or unsafe conditions at our school.
