Official Visitors

On March 8th five officials of the Chicago office were on the Chemawa campus. Mrs. Bertha Ellenger, the Associate Supervisor of Education and Miss Marietta Dick, associate Health Supervisor. The others were, Miss Cleora Helbing the Associate Supervisor of Education; Mrs. A. D. Frenchville, former assistant Superintendent of the United Pueblos Agency in New Mexico; Miss Bertha M. Feber, associate Public Health Consultant.

Victory Program

Chemawa is proud of the sophomores and their leader, Paul Svinth, for the way they are initiating and leading plans for our Victory Garden.

Every class that helped sort onions shows that there are many leaders and workers eager to carry on the defense program.

The students, through their current events study, are beginning to realize how critical the food problem may be next year throughout the country. So they are willing whenever they are needed to help with food production and conservation.

Mr. Dutoit, the farm manager with some of the staff assisting, will select officers as leaders for each group.

Besides the Victory Garden Program, we have 24 hour Airplane Watch, First Aid Classes, Senior Red Cross sewing, and the newly organized Junior Red Cross. Most of the hobby clubs have adapted their activities to the war effort.

We were glad to have Miss Cleora Helbing give us many worthwhile suggestions on caring for our clothes, and on production of food.

Come on, everybody, keep up the good work and become real leaders in our fight for Victory.

Barn Dance Great Success

The barn dance that was held at the gym Wednesday evening, March 17, was a huge success. It was sponsored by the dramatic club to raise money to buy Reader's Digests for classroom use.

A gay 90's song and dance act was presented under the direction of Miss Rector. The girls had colorful gowns, hats, and umbrellas. The boys had high collars. They sang "Daisy Belle."

Pete George and Ralph Jackson sang "Sycamore Lane," and the dramatic club presented a one-act play, "The Auction."

There were modern and square dances with special music provided by Walter Champine and Ralph Jackson. Those who sat on the side lines enjoyed watching.

Punch, coffee, and cookies were served. The party was a financial success and the magazines have been ordered.

Chapel Service

"Tipperary March" (Fulton) by the orchestra was the opening number of the Chapel program held on March 14, at 7:30 p.m. in the School Auditorium.

The Glee Club, directed by Miss Pauline Rector, sang "Dark Eyes," and a Willamette University song. The latter was sung especially for the Chapel speaker, Roy Harland an alumnus of Willamette University.

Since St. Patrick's Day was approaching the Chemawa Orchestra played a beautiful Irish Medley containing the following well-known tunes, "The Harp That Once Thro Tara's Halls," "Killarney," "Come Back To Erin," "Believe Me If All Those Endeavouring Young Charms" "Kerry Dance and Wearing of The Green."

The Chairman, Mr. Paul T. Jackson, introduced the speaker, Mr. Harland, giving a bit of his background. Mr. Harland graduated from law school at Willamette University and has practiced his vocation in Salem for ten years. He is active in various clubs, president of the school board, and recently has been voted as an outstanding young man in Salem.

Mr. Harland's topic was "Courage for the Duration." It was an inspiring speech of having courage during these trying days to do the best although we're not responsible for the chaotic condition existing.

"Be of good Courage and He shall strengthen thy heart:" thus one should have faith in the eternal life to help the endurance of life as seen now.

In conclusion Mr. Harland gave encouraging advice, "Resolve to live, keeping heads level and hearts strong. Not to be embittered by the chaotic conflict."

The Orchestra played "Deep Purple March" (by Kelly) as the audience marched out.
