NUMBER EIGHT

Commencement Exercise

The Senior Class of '43 will take their final step toward graduation at the Commencement exercises which will be held in the school auditorium Friday, May 21st.

The "War March" of the Priests from Athalia by Mendelssohn will be played by the orchestra while the Seniors march down the aisle to take their places. Other numbers played by the orchestra will be excerpts from "Adele" by Briquet and the "March Pontificale" by Gounod, the Recessional.

Dr. Smith, president of the Willamette University will deliver the address to the seniors.

Rose Mary Aubrey, as the salutatorian, will give a welcoming message. The valedictory, written by Audrey O'Connor, will be read by Pete George, president of the senior class.

A reception will be given by the Juniors and their sponsors in honor of the seniors and their relatives and friends after Commencement.

Senior Practice house

The Senior Practice House is sponsored by Ila Scott, who is taking a great deal of interest in teaching the girls different home situations. They take turns cooking, keeping house, chopping wood and running errands.

A vegetable garden has been planted by the girls and the yard of the practice house has been improved in its appearance by flowers that are bordering the front yard.

The girls have made shelves, rugs, and fancy work for the house.

Junior Prom

Laughing, dancing, and happy young people--all these were present at the Junior-Senior Prom which was held at Hawley Hall, May 1, 1943.

From the time the students entered the lovely decorated room, which resembled a ballroom, an enjoyable time was had to the last minute.

The Seniors give their thanks to the Juniors who were responsible for a pleasant evening.

Orchids Go To

In this issue special Orchids go to Mr. Charles E. Larsen for his dependability to carry on in spite of the absence of the Superintendent, Property Clerk and Stenographer. We are, indeed, fortunate in having such a capable person to give so much of his wits.

Orchids to Miss Pauline Rector and Mr. H. A. Kunkel for helping so many teachers with the music for their assembly programs.

Orchids to Mr. and Mrs. Turney for giving so much of their time and energy in the school orchestra.

Orchids to Mr. Abell for his versatility.
