We Gave \$887!

The War Chest drive was a success at Chemawa. The students of Chemawa have contributed the sum of \$206.55. They have also pledged \$4.50 more which has not been collected. The girls have collected and pledged \$105.35. The boys have collected and pledged \$105.70.

Students went out to a neighboring farm and picked nuts. The money they earned they donated to the drive. Some of them were very generous; six dollars was the highest paid, while five was not uncommon.

Students who helped collect the pledges and money were: Paul Svinth, Bryson Liberty, Dick Walker, Ray Bennet, Martha Miller, Florestine Peltier, Helen Hayes, Christine Williams, and Geneva Alex.

The employees war chest drive was also very successful. The quota was \$500.00 for Chemawa but they went over this by \$180.45 which brought the total to \$680.45 for Chemawa employees. The employees on the committee were Miss Page, Miss Chambers, Miss Rector, and Mr. Clingenpeel.

We are very proud that Chemawa could donate this sum of money for such a good cause. We hope that it will reach some personal friend of ours, perhaps overseas.

Fun and Frolic

The evening of November 5 was fun for all. A carnival in the gymnasium had games of bingo, penny toss, ring toss, and many others. Then there was fortune telling, beauty parlor, floor prizes, and food.

The carnival was held as benefit for the Students' Activity Association. Approximately \$180.00 was cleared.
