## Baseball

Silverton here, the score was 1 to 0 in Silverton's favor.

The game with Mt. Angel was canceled because of rain.

The following Friday the team journeyed to Canby where the Indians won their first scalp by a score of 6 to 2.

The boys played an excellent brand of ball although there was a slight shower all through the game.

The longest blow of the game was by Buck Logan, who hit a triple.

The next game is with the Duration League's champs, the Woodburn Bulldogs.

Puff! Puff! Puff! went Coach "Chief" Thompson's smoke signals for baseball turnout. Out came sixteen young bucks from McNary hall all physically fit and willing, and out of the 16 there were five Lettermen, Arnie Davis, Gene Hoffer, George Miller, Harold Charles, and Leslie Bill.

After hard work and fine coaching the "Chief" rounded out a team that played at Molalla: c. Gene Hoffer, p. Arnie Davis, 1. b C. Ashman, 2. b "Cheese" Jefferson, 3. b "Buck" Logan, s. s. S. Minthorn, r. f. L. Bill, c. f. G. Miller, l. f. L. George.

Although we lost our first game to Molalla by the score of 11 to 9, Coach Thompson, was very pleased by the fine playing and spirit of his boys, especially Levi George.

Every year we have a morning in commencement week called "Jolly-up." We assemble in the auditorium and the surprises begin. Jolly-up this year is April 27.

The school band, under direction of Mr. H. Kunkel, will play for us. There will be singing; the yell queens will lead us in school yells. Some native Indian dances by "Chief Shawaway" and his gang will add color to the occasion.

Then come the awards! All sit on the edge of the seats to see who are the honored ones: academic, vocations, dormitories, and athletics. We are sorry not to print the winning names, but as we go to press the "Jolly-up" is still in the future.
