## Fritzler Wins Office

Candidates for student body president were nominated from Winona and McNary halls. The candidates were Ray Bennett, Glenn Fritzler, Anita Grunlose, and Marciel Tom. All these candidates were highly acceptable. Election was conducted in the high school building October 4, the junior and senior classes in charge.

GLENN FRITZLER

Glenn Fritzler was elected to the office, but the title has been changed to mayor. Glenn has been at Chemawa four years, and is an admirable student. He is active in all fields and deeply interested in the welfare of Chemawa. We pledge to "Fritz" our cooperation and loyalty.

## Message from Supt. Evans

School has now been operating for two months. During that time 487 students have enrolled. More than 400 students were present the first week of school.

Much credit for this splendid showing is due our students. Considerable time and effort was used last spring in an attempt to help the students to see the necessity of their reporting to school early this fall. This early enrollment will not only provide for a greater number of days in school for each boy and girl, but will also reflect in additional funds for next year. Additional funds may be used to develop a stronger program for Chemawa.

Let's keep up the good work and every student plan to remain in school for the full term. By doing so every one is benefited, and we can more quickly begin to realize the kind of school program we all want.

MYRTHUS W. EVANS

## War Chest Drive

The drive for funds to supply the United War Chest met with a good response in Chemawa. The total collection was \$655.17. Student contributions were \$42.87, while employees paid and pledged \$612.30

## Employees Enjoy Salmon Bake

The employees and their families, and a student representation, enjoyed a dinner of baked salmon and fried bread on the evening of October 6. Mr. Sanders and Mr. Mason baked the fish outside on sticks, Indian style. Everyone declared it delicious. The savory fried bread was prepared by Mrs. Sanders, Mrs. James, and Mrs. Faris. After dinner the group went to the gymnasium where dancing was enjoyed.

## School Carnival

The annual all-school carnival was staged in the gymnasium on the evening of November 7. A large number of students and employees had been preparing for it for days.

There were games to play, and food and drinks. The hot dog stand did a land office business, donuts were about as popular. The fishpond and the Bingo stand had a steady stream of customers, while four fortune tellers kept busy all evening.

The proceeds were about \$250. This money goes into the Student Activity funds.

## House Councils Operating

Winona hall has a larger number on the council than formerly. Three of the experienced members remain on duty. These were chosen as officers: President, Marceil Tom; vice-president, Daisy Pete; secretary, Leona Bell. Other members are June Black, Jessie Miller, June St. Peter, Annabelle Summers, and Dolores Ford.

McNary hall house council is composed of three boys: Ray Bennett, president; Glenn Fritzler, secretary; and Sylvester Minthorn, sergeant-at-arms. Meetings are held on Monday nights and may be called at any time of need.
