AG BOYS HOLD BARBECUE

As a finale to their activities of the year, the Ag boys held a barbecue the day following their annual stock and grain judging contest.

A 300-lb. calf was butchered by the boys and roasted in a closed pit over a deep bed of coals in true barbecue style. This along with some typical picnic food was enjoyed by some 200 Ag boys and their guests.

A perfect day, a game of soft ball, three horseshoe playing sets, and a large campfire as evening approached all contributed to a good time.

FOOD HANDLERS FED BY F. E. U.

The Chemawa F. E. U. entertained the visitors to the food handlers convention with a salmon bake at Silver Creek Falls park on the evening of June 6. Those responsible for the delicious food were Mr. Rube Sanders, who saw to it that the salmon were baked as only he can bake them, Sgt. Hauser, Miss Goings and Rube Sanders Jr. They and their assistants prepared a meal that will long be remembered.

States Mr. and Mrs. Benson will make their home in Morro Bay, California. Chemawa will miss Mr. and Mrs. Benson. We wish them happiness in their new home.
