

CHEMAWA AMERICAN

Vol. XLVIII

Chemawa Indian School, Chemawa, Oregon . December, 1947

No. 2

RUSSELL M. KELLEY

Supt. Kelley Welcomed

New Chemawa Superintendent Assumes Duties November 10

Mr. R. M. Kelley, our new superintendent, reported for duty at Chemawa on Wednesday, November 10. He came here from Oklahoma where he had been district supervisor of Indian education for the past nine years. Previous to his Oklahoma assignment, he was superintendent at Haskell Institute for five years.

Mr. Kelley has been busy getting acquainted with the present Chemawa program. He held the first staff meeting since his appointment, on Tuesday, December 9.

Mr. Kelley was accompanied to Chemawa by Mrs. Kelley. Their son, Russell M. Kelley jr., is attending Oklahoma A. and M. college at Stillwater, Oklahoma.

Mr. and Mrs. Kelley were guests at a reception shortly after their arrival when they were presented to the campus people. Chemawa welcomes them most heartily and hopes they will like their new home.

New Employees Added to Staff

Miss Eloise Bernal, the new member of the Chemawa hospital staff, was transferred to Chemawa from Staten Island, New York. Miss Bernal graduated from Lawton, Oklahoma, after which she served as surgical technician in the U. S. Army.

Mr. Nobel Sanderville, new payroll clerk, who has replaced Mr. James Welch, was transferred from the agency on the Blackfoot Reservation. Mr. Sanderville is a former Chemawa student and served three years with the United States Marines in World War II.

EDUCATIONAL TRIPS

The juniors took an educational trip to Silver Creek Falls on November 5. The class studied many plants in the park for biology.

In the interest of sociology the seniors visited Fairview Home in Salem. The group was conducted through the home by Mrs. Bristow, former girls' adviser at Chemawa.

McNARY NEWS

The Christmas Spirit has come to McNary hall. The boys (with few exceptions) are better than usual. Even some of the seniors are doing their share of work about the dormitory. The rooms are being decorated with Christmas colors and the reading room is being readied for our annual Christmas party to be held Tuesday evening, December 24th.

We Celebrate Christmas

We celebrate December 25 for the Christ Child who was born two thousand years ago in Bethlehem of Judea. It was then the angels sang of "Peace on Earth."

The shepherds looked up and saw the star that hovered over the stable. The wise men followed the same star both day and night until they could present their gifts to the King.

On Christmas day all over the world people will celebrate this great day by going to church and by giving gifts.

Here at Chemawa the children will have one of the merriest Christmases in the history of the school. People from many sections and organizations in Oregon have brought presents for the boys and girls.

All over the campus is a new spirit of happiness. We thank these kind people who are making our Christmas merry.

In the words of Tiny Tim, "God bless us everyone."
—Florence Ingawanup.
