"IS THIS YOURS?"

In our civilized world you often hear these questions asked "Is this yours?" "Does it legally belong to you?" They are familiar questions and hold an important meaning in our society.

When a person takes a thing without permission he is looked upon by our society as a thief. Society in all parts of the world, does not associate with crime, illegal procedures, felonies and misdemeanors, or any thing which endangers its life.

Stealing is one of the most hateful offenses against our social life. It has proven that it can bring regret, sorrow and damage. During our life-time every one of us should contribute to our society in some way for a better and more useful life.

The best time that is offered is during our school life. Let's train to resist stealing and other forms of crime. Take only your own rightful belongings and follow the "Golden Rule" for "crime does not pay."—Al Slickpoo.

GETTING MY EDUCATION

Our government is helping me get an education. Our books help me. Our teacher helps me. Our school helps me. Our reading helps me, too. I am being a good citizen. I am helping others, too. I am in the third grade.—Danny Edwards.

Girls Learn the Answer

The bakery gives us the answer to the long sought \$64 question, "Why don't the Chemawa girls have those wasp like waist lines that give the new look?"

The bakery gives the answer in it's production report:

- 160 loaves of bread a day
- 840 cookies twice a week
- 70 pies once a week
- 840 rolls a week
- 840 cinnamon rolls a week
- 420 doughnuts once a month
- 7 eight-pound cakes once a week

Nine boys under supervision of Mrs. Sanders, three senior high and six junior high, are appointed each period to work in the bakery.

A new bread mixer and cutter have been added to the bakery equipment.

Campus Items

Mrs. Abe Holmes recently joined the hospital staff.

Mrs. Fratis, former employee, has been visiting on the campus.

Mrs. Catterson, a new employe from Salem, is now working at the employees club.

Mr. and Mrs. Bill Suggs have left the campus to return to their home in Lubbock, Texas. Mr. Suggs was employed in the dairy here.

Pfc. Terry Francis was a campus visitor. Terry, a former student of Chemawa, is now serving in the Marine corps. He is stationed at Pt. Loma.

On Jan. 6 the Student Council members were invited to meet and discuss with the Guidance Committee problems that are pertinent to both groups.

The Chemawa American welcomes the two new clerks, R. W. Jones and David Spaulding, who are now employed in Mr. Henderson's Campus store.

Russell M Kelley Jr. visited his parents, Mr. and Mrs. R. M. Kelley, during the Christmas holidays. Russell returned to Stillwater, Oklahoma, where he is attending college.

The Junior class received a Christmas greeting from a former student, James Taylor. James has enlisted in the navy and he would like to hear from Chemawa students.

Mrs. Nell Brannon, principal, spent the holidays at the home of her sister in Santa Fe, New Mexico. Mrs. Brannon also visited with her daughter, Betty Jo, who is a student at Duchesne College, Omaha, Nebraska.

Norma Monteseno, Lillian Meninick, Elizabeth McDevitt and George Plummer left for Tacoma hospital January 12. It is hoped they will soon return to school. Health films are being shown to Winona hall girls. It is planned to make the same program available to the boys at McNary.

Greeting cards were received from Helen Clinton, Inez Mink, and Davis Jim. These students are confined in the Tacoma Indian hospital where they are receiving treatment for early tuberculosis. They would enjoy hearing from Chemawa students.
