

CLASS WILL

We, the Senior Class of Chemawa Indian School, County of Marion and State of Oregon, being of unsound mind and disintegrating memory after four strenuous years, do hereby make, publish and declare this as our last and best will and testament, hereby revoking all former wills, bequests, and devices of whatever nature by us already made.

General

We give, devise, and bequeath to the Junior Class and Mr. Johannaber the Senior Skip Day, if they can get it, and all memories bitter or sweet, or otherwise of C. I. S.

To the Juniors we give them our classroom, which we have taken care of so well, may they prove worthy of it, also our ability to get the Chemawa American ready for publication once a month and on time.

To Mr. Kelley, our Superintendent, we bequeath a new book of rules which said Senior class has labored over long of

hours for the past several months, said book containing provisions for an increase in holidays, one weekly and changing the opening hour of school from 9:00 to 10:00 a.m. and closing hour 11:00 a.m. for the morning session, opening at 2:00 p.m. and closing at 3:00 p.m. in the afternoons with two recesses, one in each session, of 59 minutes each, all details to be eliminated.

To our Principal, Mrs. Brannon, we bequeath our love and affection, with the request that she gives to the next class the same guidance and justice that she so generously gave to us.

To Mr. Hudson, Miss Challis and our matrons of both Winona and McNary Halls we bequeath our affection and good wishes for many more successful years in their work in Chemawa. We deeply regret all the hours of anxiety we have caused them.

To Miss Morse, the backbone of our class, we leave her our

undying friendship and our deepest thanks for guiding us through our last two years at Chemawa.

To the Sophomores we will our great school spirit and a spark of our good "old fight" provided they prove worthy of such distinguished honor.

To the little Freshies, we leave them all our sound advice, which they need so badly, and a sincere hope that their greenness will have worn off by the time they are Seniors.
