

WINONA HALL NEWS

Winona hall is off to a good start this year with a full house of 170 girls who, we hope, will find this a new and happy home during their stay here and will do everything possible to uphold the standards of the school.

The new Winona hall councillors for this year are, Unit I, Janice Rambeau; Unit II, Georgianna Young; Unit III, Joyce James; Unit IV, Eulalie Minthorn; Unit V, Imogene Washington; Unit VI, Elizabeth McDevitt; Unit VII, Millie Jefferson; Unit VIII, Grace BeJoe; sports councillor, Helen George; reading room councillor, Mabelle Edwards; upstairs councillor, Jeanette Blake.

The Winona hall house council has been having weekly meetings and one special meeting was called in order to get the dormitory organization going along smoothly. In the election of house officers, Georgianna Young was elected house president; Eulalie Minthorn is vice-president and Janice Rambeau is the secretary.

Winona hall has started its sports program. The captains and teams of the Intramural basketball games have been chosen. We have some high-sounding names for the teams: "The Panthers," "The Maidens," "The Tribe" are three of the ten teams. From these teams there will be chosen ten girls for the "A" team in competitive basketball with other schools. This is just another of the things to keep the girls interested in the activities of the school. We hope all the girls will take an interest in the activities being made possible for them.

Helen George, sports councillor, is busy contacting sponsors and planning schedules for sports for the Girls' Athletic association so that all Winona hall girls can earn points for athletic awards. Every Wednesday night is hiking night.

McBride hall has a total of 94 girls in their well-organized dormitory. First floor officer is Roberta McDevitt and second floor officer is Eloise Butler. There are five assistant officers. Each Monday night McBride hall has

BUSY WORKERS

Mr. O'Reilly was good to the children. He let them take apples and prunes back to the dormitories.—Patricia Blythe and Marian Dick, Grade 4.

a house meeting with all the girls present. Miss Challis leads the group in singing and talks to them and then there is a program put on by the girls in each grade. The seventh grade had the first program and the sixth grade had the next one. Now it is the fifth grade's turn. Every grade will have a chance to present the entertainment. The girls like the cute stage with the curtain to pull which they have in their upstairs "rumpus room" where all the house meetings are held. The McBride officers have their house council meeting on Wednesday nights so that they can improve McBride hall in every way possible.
