BAND ITEMS

The Pep band played at the basketball tournament which was held at the Willamette gym. Donna Stone and Leoda Plummer did some twirling. Little Bonnie Morton, of the third grade, did solo twirling. She has been asked to twirl for the Turner Community show.

The Pep band played at the sixth grade assembly on March 9.

The present members of the Pep band are as follows: Laura Mae Conway, clarinet; Vincent Matt Jr., cornet; Imogene Washington, cornet; Gale Howard, baritone; Marthella Stahi, tenor sax; Margaret Sampson, bass; Nettie Racine, cymbals; Rebecca Andy, bass drum; Alta McCash, snare drum; Mr. V. Matt, trombone and director.

The newly organized grade school band has been assigned seats and instruments in the band room. At present the band is practicing in two sections but will soon be rehearsing together. They are in hopes of being ready to play one or two numbers when the High school band gives its annual spring concert in May. At that time the grades will feature their grade school twirlers.

With the closing of the basketball season, the band is busy practicing for their concert which will be held March 17. This date is the birthday of the Chemawa band.

The band plans on entering the class "C" band meet which is to be held at the Salem High school building April 22. The band will play three selections, "Golden Glow" overture, "Passing of the Red Man" and "Normal" march.

The band is also working on two numbers which were written by band director I. S. Loos, when he was director of the Chemawa band about 1915.

The band has been trying to rub out the rough spots with the aid of the tape recorder and phonograph records.

A party is being planned for the band members March 18. This was an old custom and the new band will try to revive it.

SUPT. KELLEY RETURNS

Superintendent Kelley has returned from a trip which took him to Washington, D. C., where he attended to school business. While in the east Mr. Kelley also attended a meeting of the National Educational Association conference held at Atlantic City, New Jersey.

Mr. and Mrs. William Patterson left for Seattle, Wash., on March 6. Mr. Patterson was called to Seattle by the death of his grandfather.

HAVE PICTURES TAKEN

The members of the Junior and Senior classes had their pictures taken for the Commencement number of the Chemawa American. The Seniors were attired in caps and gowns for the event while the Juniors were dressed in their Sunday best. Miss Morse and Mrs. Johannaber accompanied their classes to Bishop's studio in Salem, where the pictures were taken.

SHOP TALK

The 7th, 8th and 9th grade boys are busy drafting and making various items by the use of hand tools only in preparation for open house to be held early in April. The students are making such items as letter "C" picture frames, book ends and what-not shelves out of plywood. An educational trip has been planned by the group to Lebanon, Oregon, where they will see how plywood is cut and put together on a large scale.

The following boys, under the supervision of Mr. Matt, are taking woodworking:

Ninth grade—Vernon Henry, Arthur Hickox, Norman Eyle, Maurice James, Charles Reed, Lester Herman and Duayne McCurdy.

Eighth grade—Everett Jones, Leonard Hahn, Donald Hoptowit, Ralph Scott, Kenneth Super.

Seventh grade — Merlin Geary, Thomas Hugues, Clyde Sampson, Edward Spott, Alfred Tashwick, Alex George, Frank Pays, Mike Sorondo, Allen Takkeal, Lemoire Wahatomy.

The boys in the carpenter shop, under the direction of Mr. Caulkins, are a very busy class. Among some of the activities that they have been working on in the line of construction are, construction of a new loading platform and a new stairway on the front of the commissary, and a small office for Mr. Suggs inside the commissary. At the auto shop the boys built a bed for the pickup that the farm just received. In the plumbing shop the carpenters constructed a room which is being used as a class room for the plumbing boys. Besides this construction work, the boys have been kept busy repairing furniture and other items on the campus.

The paint shop is in a state of renovation. A paint spray room is being built in the rear of the main shop and the class room is to be decorated.
