NEW WATER LINE INSTALLED

This summer the water situation at Chemawa was considerably improved with the addition of a mile of 6-inch pipe. By this means, needed water pressure was obtained and, as a safety measure, eleven new fire plugs were installed. For a time ditches stretched in all directions on the campus. The work was done under the direction of Mr. George A. Williams, operations and maintenance engineer at Chemawa.

FRESHMAN INITIATION

October 5 was initiation day for the freshmen class. Freshmen girls, attired in their "glamour" costumes, staged a football game between halves of the Chemawa-Jefferson game. During the grand march that night at the gym spectators were treated to a close-up view of the costumes and make-up as both the boys and girls of the class passed in review.

ALL-SCHOOL CARNIVAL

The Halloween Carnival was held in the gym Friday, Oct. 26. Among the many concessions were the beauty parlor, bingo, jitney dance, roulette wheel, and fish pond. Food, cokes, ice cream and candy were also available. Andrew Peters and Rodney Davis won the door prizes. The sum of \$243 was raised.

WELCOME FROM SENIORS

The members of the Senior class wish to extend a hearty welcome to all the new members who have joined the Chemawa staff and all the new students who have chosen Chemawa for their Alma Mater. We hope that all of you will like our school and enjoy working with us. —William Shillal, Senior Class President.

GOOD NEWS, TICKET SELLERS

The good news for our ticket sellers is that they will not have to keep track of number of student tickets and the number of adult tickets sold, for after November 1, admissions to athletic contests by elementary and secondary schools are to be exempted from the 20% federal tax. This information was recently sent to the school by Mr. Thomas A. Pigott, secretary-treasurer of Oregon School Activities Association.
