HOME LIVING

WINONA HALL NEWS

Did some one mention cakes around Winona hall? They sure did because Rooms 4, 22, 43, 34 and 19 were the rooms with the most votes for Winona hall Open House which was the big event in the dormitory this month. The House Council gave cakes for the prizes. The best 2-bed room was Room 4, Imogene Washington and Margaret Sampson; best room in south hall upstairs was 43, Norma Jefferson, Lucy Begaye, Agnes Noble, Lula Boonie, Mary K. James, Dorothy Peter and Mary Ann Willie; the best room in north hall upstairs was 34, Jane Bedoni, Lillie Bitsilly, Fannie Rose Smith, Mattie Johnson, Lorraine Tom; best room in north hall downstairs 22, Roberta McDevitt, Eloise Butler, Patricia Carlson and Nettie Racine and the best Councilor's room 19, Mary Lane and Ida Jean McCash.

The rooms weren't the only spic and span places, the whole building really shined. All the girls really "pitched in" and got the building clean and dressed up which we were all proud of. The dinette really looked pretty with the candles and bouquet of daffodils as a centerpiece. Oh, we must not forget those nice cookies that the Home Ec girls made for Open House, and the punch made by the kitchen girls. They were very good. So we had another successful Open House, thanks to all the girls and our many guests.

Winona hall was really a busy place during Chemawa Birthday time. The girls practicing their dances, getting their costumes ready and visiting with their families who came for the Birthday celebration. We were glad to have the Evles, Showaways, Lanes, Browns and Bar-

bara Gibbons and sisters. The girls are grateful to Mr. and Mrs. Showaway, parents of Leona, for bringing so many costumes and helping to make Chemawa's program so successful; to show their appreciation the girls gave them a towel set before they left for home.

We're glad to have Lorraine Farmer and Winnie Foster back with us after being off the campus due to family illness.

The girls are buying or making square dance skirts to wear at the regular weekly meeting of the Square Dance club held each Wednesday.

Ida Jean McCash and her Unit IV won the Unit Award trip for February. Along with McBride hall girls who were outstanding in citizenship, they went to the movies in Salem last Saturday afternoon and really had a good time.

Lucetta Hahn and Peggy Washington are the faithful two who see that the pop corn is popped and sacked each week for pop corn sale.

We appreciate Mrs. Seawright coming this month for a health inspection of the girls. Dr. Stone comes each month and rates our dormitory very good. We want to keep it that way.

For Intramural the girls are playing off a basketball tournament each Thursday evening. There are seven teams: Watcha-call-its (Nancy Samuel, Capt.); Thunder Birds (Augustine Phillips, Capt.); The Things (Eleanor Foster, Capt.); Hazel Nuts (Hazel Poog, Capt.); Wild Cats (Georgia Lucei, Capt.); Papooses (Sarah Lewis, Capt.); Panthers (Marjorie Tatted, Capt.). As it looks now the winning team may either be the Hazel Nuts or the Panthers but anything might happen as the other teams are really trying for that party that is waiting for the winning team. May the best team win!

Mary Lane and Nancy Butler selected some new dance records for Winona hall and purchased them Saturday. They can be used for the Friday night dances also.—Sarah Lewis and Geraldine Peterson, News Reporters for Winona hall.

MCBRIDE HALL

On the day of Washington's Birthday the McBride House officers were invited to Winona hall for Open House. They were very glad to go. The building looked very nice. It was so hard to decide which room looked the best. We enjoyed the punch and cookies very much. During the afternoon the officer girls had a party with refreshments at the

DOWN ON THE FARM

The farm boys have been kept busy repairing windows, pipes and equipment.

Mr. Starlin has started the boys on some new projects which include plumbing and some glazing. Other projects which have been completed included making of rat traps, lawn chairs, tool cabinet, book ends, and waste paper baskets.

Some of the farm boys went to Salem to take the driver's test. Three of the boys, William Shillal, Donald James and Pupert Halfmoon, passed the test and some were allowed a permit to drive.

While we were sorry to have Mr. O'Brien leave us we welcome Mr. H. W. Starlin who came from Alaska to join us here at Chemawa.

Mr. Rassmussen from the Marion County agent's office demonstrated the right and wrong way to prune trees. We will soon start pruning the trees in the orchard.

The Navajo boys have been doing some pruning of trees, repairing farm equipment, and remodeling the machine shop. They have also been doing some tractor driving.

The farm boys have formed an Ag club. At present it has a membership of 16 boys from 10th to 12th grades. They have had two meetings, holding them every other Thursday night. These boys are looking forward to an Ag party and dance, the annual open house and the barbeque which will be held as usual this spring.

beginning, the party lasted for about an hour. It is fun to have parties.

The McBride hall girls helped celebrate Chemawa's birthday with the seventh and eighth grade girls from McBride hall singing in the chorus and the first, second, third and fourth groups sitting downstairs near the visitors. The girls from the seventh group on down came back to the building for the delicious birthday cake and punch.

The McBride hall house officers have regular council meetings. Christine Thompson is president and Lavenia Johnson is secretary, the other members are Shirley Johnson, Marie Bart, Martha Clark and Carolyn Millett. They are warding the group which has been the best citizens for a month by giving them a party.
