

SHOP TALK

The boys have painted several of the rooms in McNary and Brewer halls. They have also painted a house in Salem. They have replaced several broken windows around McNary hall which goes to prove that spring is just around the corner.

In the past eight months the shop boys worked on many shoes. We stitched, patched, sewed rips, greased shoes, polished and repaired athletic equipment. The last few weeks of shop we did leather work, made wallets, picture frames, belts, key cases and other small articles.

adviser, Miss Challis—for being the nicest persons to have guide us the whole year around. — Christine Thompson, Reporter.

McNARY HALL

The McNary hall boys were glad to welcome the many recent visitors. Many of these Chemawa friends were former students and graduates. Among those who were campus visitors were: Jimmy Thornton, who served in the U. S. Army and just recently returned from Korea; Richard Thorne, who is serving in the U. S. Navy; Mr. and Mrs. Arthur Lane and family; Mr. and Mrs. Vernon Lane and family; Nathaniel Baker, on furlough from the U. S. Navy; Mr. and Mrs. Terry Francis, of Bonners Ferry, Idaho (Terry was a member of Chemawa's Oregon State football championship team in 1944-45; Mr. and Mrs. George Umtuch of Powell Butte, Oregon; Richard Burke, on furlough from U. S. Army; Al Slickpoo, on furlough from the U. S. Army; Mr. and Mrs. Domic Showaway, Pendleton, Oregon; Mr. and Mrs. Sam Slickpoo, Lapwai, Idaho; and Mrs. Eethel Gardipee, grandmother of Clifford and Wayne Case, and family from Siletz, Oregon.

BREWER HALL

The seventh and eighth grades' softball team played Keizer grade school at Chemawa Friday afternoon. It was a hard fought contest which saw Chemawa come from behind in the third inning to take a

We cleaned and painted our benches for the open house. We enjoyed our shop very much.—Reporters, Capazoni, Dodson and Claw.

The boys have just completed making fifty hurdles for the athletic department, a cabinet for the home ec department and are at present making hand carved picture frames.

Woodworking—the seventh grade boys are just completing their projects. Groups 2 are just finishing up their "Doggie" book ends while groups 1 are finishing their whisk broom holders they have also completed a project of their own choice.

good lead. They held this lead until the last inning but dropped a two point margin to lose the game by a score of eleven to twelve. James Osborne pitched the full seven innings for Chemawa. He pitched a good game showing excellent control and posted several strikeouts. Both teams were guilty of costly errors. We hope to have a regular softball season for our grade school next year.

Boys in the three dormitories are enjoying the softball play in the A, B, and C intramural softball leagues. Outcomes of the season are still in doubt as upsets are common.

Unit IV won the unit award trip for good housekeeping and citizenship. The boys attended a Saturday matinee at the Hollywood theatre. It was their first win of the year.

Warm spring breezes have kindled the flames of romance in the hearts of Brewer hall boys. Eighth graders have just voted to have the railroad crossing sign post declared the annual May pole. Seventh graders were opposed as they thought there wasn't room enough for their names, too.

There are thousands willing to do great things for one willing to do a small thing.—Grace McDonald.

* * *

There is no such thing as gratitude. Do things for your own satisfaction, and that means do them well.—Bernard Baruch (Advise from Father).

DOWN ON THE FARM

Chemawa's Future Farmers have been busy as bees during the past two months getting ready for their annual open house, which was held Friday, May 2, from 9:30 to 11:30 P.M.

Among the many beautifying projects are new sidewalks and a new coat of paint for the inside of the ag shop. The boys have also "doctored" up the shop's bad case of swaybackness, by adding a new foundation. Many different types of shrubbery which include boxwood plants, small junipers, cedar trees, azaleas, camelias, and blue and Japanese cypress, have been planted around the ag buildings, and a new lawn has also been started.

Our landscaping idea was born about the same time the yearly pruning of the orchard started. Between pruning and landscaping, the ag boys have had their hands pretty full.

Congratulations to Edgar Lewis! Edgar has joined the ranks of licensed automobile drivers of Oregon. There are now four licensed drivers and nine who have Drivers Instruction Permits. Orrin Allen has passed his written examination.

On Wednesday and Thursday, April 9 and 10, Mr. L. A. Bronaugh, Soil Scientist, made a trip from Yakima, Wash., to conduct a soil survey on Chemawa's farm land. He conducted soil tests which showed the amount of nitrate, potash, phosphorus, acidity, and the profile of the soil.—Clifford Case, Farm Reporter.

CHURCH LEAGUE

Chemawa church team won the Salem church league class "C" championship for 1952. The team was undefeated in the league, outside of the league won three games. On March 22 the team journeyed to Warm Springs Indian school. There they were defeated for the only loss of the season. The team enjoyed the trip to the school. On the team were: Capt. William Edmo, A. Lane, M. Racine, M. Peo, J. Coburn, M. Snipe, H. George, A. George, K. Connors, and Coaches S. Ashcut and Rodney Davis.
