Allan Shepard, Printing Instructor

GIRLS INTRAMURAL

In accord with the Oregon state requirements, that all girls enrolled in accredited high schools must earn one credit a year in Physical Education, Chemawa students find themselves with a busy Tuesday and Thursday night schedule participating in a compulsory intra-mural sports program.

Hiking to Kickback is on the sports schedule for Monday nights. This, however, is entirely elective. Individuals do secure credit points for participation. Accumulated points are counted toward merit awards at the end of the year.

Mr. Bartlett has arranged a series of individual gymnastics and drills that are keeping the girls busy mastering them. Volley ball and Nation ball are popular games in the intra-mural program.

Redskins Upset Sublimity

The Chemawa "Redskins" hit their stride with a win over "The Saints" from Sublimity. Until then, Chemawa had been striving to get into the win column and Sublimity was protecting its record of no losses. Pictured here are some of the original squad that answered the first

call for fall practice. Late-entrants, drop-outs, and ineligible players have made some changes in the members; consequently, several of the varsity first stringers are missing from the picture and several non-players are included. To date, we stand with one win to two losses in league games.

CHAMP NUT PICKERS

The Pep Squad, under the leadership of Miss Seaver, has, to date, the record for the amount of filberts picked in one session. Eager to get new outfits, they are enthusiastically entering into any money making scheme available. The thirty members picked 28 bags of filberts to put themselves at the head of the list.

JOURNALISM GROUP

The Journalism committee for the Chemawa American will work with Miss Gordon to put out each edition. Any news you wish to have entered may be left with:

Yvonne Choate
Dorothy Harris
Augustine Phillips
Margaret Sampson
Beverly Carlson
Pat Somers

Mona Sellers
Agnes Dumore

APPLES HARVESTED

The Chemawa apple crop amounted to 3,000 boxes this year. Figured at \$1.00 a box, this crop is worth about \$3,000.

The bulk of the crop was picked during the three-day period that all vocational shops helped. On Thursday, October 9, a total of 1,020 boxes was picked. Without this help, the agricultural boys would have been picking apples until Christmas, and a part of that time would have been in rain.

The members of the Agriculture department wish to express their appreciation to the vocational shop instructors and their students for their splendid assistance in getting the apple crop harvested in such a short time.

Don't laugh at the man who has fallen when there are slippery places ahead.—Bantu Proverb.
