

HOME LIVING

WINONA HALL

The members of the house council assume the responsibility for the conduct of the girls living there. Each councillor has a unit or a special responsibility.

The unit councillor and their respective units are:

Jean Hamlin	Unit 1
Augustine Phillips	" 2
Sarah Lewis	" 3
Imogene Washington	" 4
Barbara Davis	" 5
Rebecca Vielle	" 6
Louise Bennally	" 7
Jane Badoni	" 8

Dorothy Harris is in charge of the sports program, and Margaret Sampson supervises the reading room. Recently the house council elected their officers. Augustine Phillips was elected president, Imogene Washington, vice-president, Sarah Lewis, secretary, and Jane Badoni, sergeant-at-arms.

A get-acquainted party, held for all Winona hall girls, was sponsored by the house council. Group singing, and Indian dances made up most of the program. A jitter-bug contest was won by Estelle Swain and Deiores Croin. The matrons are planning to show educational films in the dormitory. These with our house meetings and special entertainment will fill our Sunday night calendar.

Unit 2 is the first group to sponsor a party. Unit 5 had their share of enjoyment too.

Every Tuesday and Thursday the Pep Squad and cheer leaders practice their cheers in the recreation room. They are looking forward to a place in the jamboree.

Winona hall girls have an excellent opportunity to catch up on their reading. A well stocked reading room gives them all the material they need.

The library is open from 8:00 to 9:00 P.M. Because the units are all so large a schedule must be followed to permit all the students a chance to share the reading privilege.

McBRIDE HALL

Hazel Sakota, Priscilla Sakota, Joan Mennenick, Mary Ella Wyman, Patricia Markussen and Barbara Apodaca accompanied by Mrs. Seawright, attended a Camp Fire Girls' assembly in the V. F. W. hall in Salem on Friday, September 26. The affair was a specially planned one for the observance of American Indian Day. Indian Dances and Legends were portrayed, pieces of craft were displayed and the history of each was told by an authority on Indian lore and crafts. The girls enjoyed the affair and actively participated in the program that was planned for them.

INITIATION, 1952 STYLE

"When duty whispers low
'Thou must'
Then youth replies, 'I can' "

Emerson's faith in youth was justified this year in the conduct of the students at Chemawa. Policies and standards adopted asked that no conduct contrary to those standards mark the initiation of the Freshmen, the Lettermen, or any of the many student organizations.

In accord with those standards, the Lettermen planned a unique means of recognition for their new members. Neatly pressed suits, dress shirts, ties, and polished shoes were the outfits of the day and conduct becoming the gentlemanly attire was in vogue. It wasn't hard for most of them for they usually do display courtesy in their general attitude, but not to forget once during the time that they were under the close scrutiny of the veteran Lettermen, was an achievement.

It provided the staff with one of the most pleasant days in the school year. The conduct was infectious—it spread through the student body so all were under the influence of courtesy, quietness and good grooming. The Lettermen are to be congratulated for their initiative. A few more such days will provide the desired carry-over so that then not only one day will be so marked, but every day in the school year.

Congratulations, Lettermen!
