CAFETERIA

Mr. Bolton, Mr. Barnette, and Mr. Hardy of the shops department, have remodeled and installed another toaster in the students' cafeteria. The dining-room now has a very up-to-date and attractive cafeteria. All the students thank these men for their good work.

The student conduct in the dining-room has improved in many ways. Mitchell hall boys are more orderly and from an over-all picture things are better. We won't stop here though; let's continue to improve even more by eliminating more of the unnecessary loud noise.

BRAVES CLOSE BASKETBALL SEASON

The Chemawa Braves closed their basketball season with five wins against 11 losses. Chemawa is a member of the Marion county "B" League consisting of 9 teams.

Farrell Gallineau was high scorer for the season with a total of 121 points, an average of 7.5 per game. George Umtuch was second with 114 points, an average of 7.1 points per game.

Parker Williamson, a regular varsity forward, is the only senior on this year's squad so we can look forward to a more experienced team next year.

Many boys answered the call for baseball and track recruits the week beginning March 10 and are seriously pursuing rugged training.

LETTERMEN INITIATE

On February 17, "The Lettermen" initiated eight new members. Those being initiated were: Clarence Cagney, Charles Wyman, Franklin Roarhorse, Keith Bennett, William Jose, Arnold Harrison, Peter Mark, and Chester Franklin.

The new members were sworn in by the president, Patrick Morin.

ADVANCES TO FINALS

Barbara Wapato, a seventh grade student in Mrs. Burke's room, will represent Chemawa in the final spelling contest on March 25, at the Parrish Junior high school.

The contest sponsored by "The Statesman" creates much enthusiasm among the 7th and 8th graders of Marion county. District "spelling downs" determine the contenders in the finals. At this writing, Barbara is the only seventh grader to represent a school—all others are eighth graders: however, all districts have not completed the semi-finals. The contestants for the Keizer District, of which Chemawa is a part, utilized 276 words before the winner was determined—this is the second highest number of words used in a district elimination. The highest is 278 words. "Allegiance" was the "stopper" for Barbara.

On the evening of the final contest, Barbara and Mrs. Burke, with the other contestants and their teachers will be guests at a dinner served in the Parrish Junior high school cafeteria.

Chemawa employees and students are proud of Barbara. It is an accomplishment to get as far as the finals and if Barbara gets no further, we appreciate the time and effort both she and Mrs. Burke have given. Our best wishes go to them for a good showing on March 25.

Francis McGriff, last year's winner, was second this year, and Mardelle Sharp placed third.
