### WINONA HALL NEWS

There have been some very excited girls in Winona hall lately. They are the ones whose rooms have just been painted. The shop boys have done an excellent job of painting the rooms in attractive shades of pink, blue and green.

With Spring's coming, the girls from Winona hall are really enjoying the evenings. Twice a week, we, with the girls from McBride hall, have a baseball game. A tournament is progressing that we might decide the first team. The hour from 6:00 to 7:00 P.M. goes quickly. So

far no rain has interfered with the schedule. We hope that it doesn't spoil our fun.

Hikes to Kickback were resumed with the long evenings. They are discontinued in the Fall because of cold weather and early darkness. The girls enjoy this hike very much. From 4:00 to 5:00 and again from 6:00 to 7:00 the girls can enjoy the sport of roller-skating. Many of the girls have become very skillful in this art.

So—you see Winona hall girls are happy that spring is here. They are enjoying their program of out-door activities greatly.
