### "SPRING ROUNDUP"

Spring Roundup is the theme which will be carried out in the menu, decorations, and toasts at the banquet for this year's graduates, to be held May 7. The Junior class and the Fourth Year Navajo class, with their teachers, Mrs. Johannaber and Mrs. Payne, are sponsoring the event honoring the Senior class and the

Fifth Year Navajo class. Committees of students from the host classes, with employees as sponsors, are working out details of the banquet.

The banquet, which will be served to 125 guests, will be held in Cramton hall. A program of entertainment including picture slides to be shown by Mr. Bramlet, will follow the dinner.

### CHEMAWA DAY

To let the outsiders see us as we operate from day to day and thus gain a better understanding of what Chemawa is doing, a "Chemawa Day" was initiated this year. In former years, the annual Farm and Shops Open House was sponsored for the students and employees only. This new adventure is for the outsiders.
