

Vocational Activities

Cooking Class Party

The eleventh grade girls in Miss Lucy Hendrick's cooking class, as a project, gave a party for the children of the first, second, and third grades. Other guests were Miss Jessie Ohman, primary teacher, Mrs. Lena Cronk, and Mrs. Exilda Schultz.

The party was planned, prepared, and carried out by the girls. They made the chocolate cake, ice cream, and punch served for refreshments, and little baskets for candy which were given to the children for favors. Patsy Carlson was hostess, Peggy Washington and Nancy Jerry directed the games, and Dixie Sellars, Willene Dumore, Yvonne Choate, Dorothy Harris Delores Bennett, and Margaret Kennerly served the refreshments.

The party was held in the dining room off the cooking laboratory, from 10:45 to 11:30 a.m. Refreshments were served as soon as the guests arrived. Records of children's music were played while they ate. For entertainment, children's games, such as Blind Man's Buff, Farmer in the Dell, and London Bridge is Falling Down were played.

Boys Get Training

The auto shop boys now get mechanical drawing every Friday. Mr. V. J. Matt is the instructor. The boys like it.

Mechanical drawing is needed by auto mechanics as it is for most mechanics. If they are told to work from a blueprint they must know how to read it.

Jewel Sharp, Chemawa's representative in the Oregon Statesman KSLM district Spelling Contest held at Keizer, March 2.

At the Dormitories

Unit 5 Earns Award

Competition between unit 5 and unit 1 was very close during February. On the last day unit 5 came out on top and so won the award.

Unit 5, counceled by Beverly

Carlson, celebrated its victory by attending the Elsinore Theater in Salem for the movie **The Long, Long Trailer**. The girls enjoyed the afternoon and thought it was worthwhile putting in a month of hard work.

McBride Hall girls who had the highest number of points for the month were awarded along with unit 5. Miss Alberta Challis, girls' adviser, accompanied the group.

Students Enjoy Holiday

On Washington's Birthday Chemawa students had a vacation from school. At the dormitories the bell rang at 7:00 a.m. for getting up. After breakfast and details the boys at McNary Hall got ready to go to open house at Winona Hall. The boys enjoyed visiting the girls' building and thought it looked very nice.

At 2:30 p.m. there was a basketball game at the gym between the McNary All Stars and the B squad. After the game the students danced until 4:00.

In the evening there was a movie, **I Love Melvin**, with Debbie Reynolds and Donald O'Connor.

Chemawa vs Turner

Chemawa eighth grade girls played their first game of volleyball with Turner on Saturday, February 21. Turner beat by seven points.

Winona Hall Handicrafts

The arts and crafts sales room at Winona Hall was open to the public for the first time at their open house. Articles made by the girls in their hobby clubs will be for sale there. Arlene Vaile is in charge.

One of the guest rooms was converted into a combination living room and shop. The paint shop boys under the direction of Mr. James McDonald, painted the room. The ceiling and one side wall are yellow, the end walls are turquoise, and the other side wall is a pastel brown. Miss Tedlock and several of the girls painted the furniture brown and the radiators silver.

Councilors PJ Party

The thirteen girls who are house councilors at Winona Hall had a pajama party in their living room Saturday night, February 27. Miss Mamie Tedlock was sponsor.

After returning from the movies, the girls carried their blankets, pillows, combs, bobby pins, head scarves, radio, record player and food to the living room where, it was agreed, they would stay until rising bell under penalty of a cold shower!

Two pots of coffee were made (more, before the party was over) and then the girls ate their lunch—quantities of it. As the party proceeded there was chatting, cutting up, playing of games, and dancing, all to the tunes of radio and record music and by the light of camera flash bulbs.
