

Winona Hall Has Open House

When the bell rang in Winona Hall at ten o'clock on the morning of February 22, the girls were ready for their open house. Patsy Ochiho and Charlotte Runningcrane greeted the guests and asked them to sign the guest book. Girls in units 1 and 2, directed by Geraldine Hamlin and Eleanor Rabbie, guided the visitors through the building. With ballot and pencil in hand, supplied by Nettie Racine and Beverly Carlson, each visitor was prepared to vote for the room he thought bestkept in each hall, and for the best councilors' room.

A guide assigned to several persons first took them to the arts and crafts salesroom where they saw articles the girls had made in their hobby clubs. Some of these were for sale, others on display. Arlene Vaille, activities councilor, was in charge of this room.

As guests were taken to see the girls' rooms they were unanimous in saying that it was difficult to select a best room since every room looked so nice. When the ballots, collected by Mary Ella Teller and Mary Nez, were tabulated later, it was found that all rooms had received votes. This made the girls feel that their open house was successful; all girls had taken part in getting their dormitory ready, and all had a share in the reward. They congratulated those in rooms which had the most votes and won the chocolate cakes given as prizes.

The guests were served cookies and punch in the dining room by girls in the living room. The guest book showed that 150 persons had come to visit Winona Hall. The girls were happy to have them and enjoyed their company.
