

AT THE DORMITORIES

The rooms of the north upstairs section will get new curtains. The girls in those rooms are lucky, but it is their turn; the girls in the south hall rooms on both floors got them last year.

BULLETIN BOARDS ARE ATTRACTIVE

Some very interesting and eye-catching bulletin boards have been arranged at Winona Hall. Every week they are changed by rotation of the units. Unit leaders appoint girls to plan and fix the boards and they come up with some good ideas. Nice compliments are always being given on the appearance of the bulletin boards by visitors and workmen who have stopped to admire them.

GIFT CAMERA PUT TO USE

The councilors of Winona Hall were given a flash bulb camera for Christmas. It has already been in use. Two rolls of pictures were taken of holiday activities and a unit party.

Any girls who want prints will pay five cents apiece for them. The money will be used to pay for printing and to buy bulbs and films for future use.

MCBRIDE HALL GIRLS HAVE VALENTINE PARTY

On February 14, Mrs. Crawford, Mrs. Oulette, and Mrs. Vaughn, dormitory matrons, sponsored a valentine party for the McBride Hall girls. Mr. Buell Vaughn was a guest. Everyone had a very nice time.
