

STUDENT BRIEFS (continued)

We have two fish in our room. One is gold and the other is gold and black. They got very sick one day, but they got well and we are very happy. Levine Punkin

On February 17 the seventh and eighth grades had a spelling contest to see who was to represent Chemawa. The seventh grade pupils in it were Maxine Punkin, Madeline Edmo, Marcella Punkin, Betty Kennerly, Mary Ellen Wyman, Ronald Governor, Robert LaBelle, Robert James, John Arlee, Robert Luton, and Clifford Crowe. Mary Ellen was fourth in the spelldown. Mrs. Burke is our teacher. Mary Ellen Wyman.

In our room we have a spelling chart on which we put pictures of winning spellers taken from the Oregon Statesman. We are all looking forward to seeing a familiar face from Chemawa on our chart. Betty Kennerly

We had a written spelling test. Some of the words were spelled wrong, some right. We had to make the wrong ones right. Marcella Punkin

I would like to tell you about the savings account money. Some of the boys and girls are putting their money in the bank. That money we can not check out until we go home. If we want to keep our money here at Chemawa until we graduate, we can. Boys and girls, we can take our money after we graduate and do what we want to do with it. Joe D. Yazzie
