

STUDENT BRIEFS (continued)

The boys in Mrs. Friend's room made some looms in shop for the girls. The girls made little rugs on the looms. They sold the rugs. We had some money to have a party. Our party was February 17. We used some of our class money for our party. Charlie Mitchell

I would like to tell you about the new interpreter in our classroom. The interpreter's name is Mr. Castillo. Mr. Castillo came from Intermountain Indian School. We are glad to have Mr. Castillo in our classroom. Presley K. Norton

We listen to radio programs over KOAC every day. We listen to Standard School Broadcast, Tune-up in Health, News Watch, Living in Oregon, and Science Travels. I like Science Travels best. Madeline Edmo

We have been making airplanes. Mr. Dave Doerkson shows us how. We have lots of planes, - tiger sharks, fireflies, shooting stars, etc. We have prizes for the hardwood planes and for the stick models.

Our calf project is going along fine. Our calf is growing fast. We named him Jumbo. Ronald Governor
