ARTS AND CRAFTS SALE

The first Sunday of each December an Arts and Crafts sale is held in Winona Hall. Many people come to buy the things the girls make. In this way the girls can make some spending money. This year they had tablecloths, tote bags, Eskimo yoyos, dolls, copper and mosaic pictures. Mrs. Hudson and Mrs. Stevenson's classes had table arrangements to sell. Tea was served in the dinette. The girls enjoyed meeting many new people.

Everyone enjoyed the "treat" bags made and filled by the Home Ec girls for Christmas. We also notice the attractive new suits some of the girls are wearing. These were made in the sewing classes.

PEP SQUAD COMPETES AT JAMBOREE

December 6 thirty members of the Pep Squad attended the Jamboree at Dallas, Oregon. Last year we won the trophy. This year the St. Paul group won the trophy. We were happy for them.

The cheer leaders, Marian Amos, Gloria David, Kathy Inga, Margaret Bereskin and Gladys Wells, did very well in their new uniforms.

The Pep Squad looked well in their red sweaters, white blouses, gloves and shoes.

We hope to bring the trophy back to Chemawa next year.

SHOPPING TRIPS

When I was down town I had my first experience riding in an elevator. The elevator went so fast you couldn't tell whether you were going up or down. I had seen pictures of elevators but this was my first ride.

When I went shopping I thought I might get lost but I followed some of the girls. I found the things I wanted in the stores. It is a big town. If you get lost always look for the tallest building, the Stevens Building, and you can find your way.

About 100 girls have been going to town to shop on Monday evenings. There are so many things to see. During the Christmas season it was so beautiful. In the stores were Santa Clauses talking to the children; Christmas music; and so many beautiful lights and decorations.
