ACTIVITIES:

"Y" SWIM PARTIES

Two Sundays each month fifty boys and girls go to the Salem YWCA. We have an hour swim in the pool then play games for an hour. At the end of the game hour there are refreshments and sometimes a little program of entertainment.

One game I like is when we make a big circle. Everybody walks as the music plays. Every so often boys take 4 steps to the center and girls 4 steps out and change partners. This is like a big square dance.

After refreshments we clean up so we leave the kitchen and lounge clean for the next group. We came back to the campus a little tired, but happy and with excitement in our eyes.

CHOIR PARTY AT YMCA

During February the Choir (church) had a party at the YMCA. Leaving the campus at 6:30 p.m. the group arrived at the Y at 7 p.m. After an hour of get-acquainted games, those who wished had an hour swim.

For those who couldn't swim . . . they watched wishfully. After the swim, the group sang songs and enjoyed refreshments before returning to the campus. The party was resplendent. Our thanks to Rev. Stevens and his committee for giving us this happy evening.

Most of us thought that the Christmas Season had ended. But on the night of January 7, sounds of carols were heard on the campus, as the Orthodox students celebrated their Christmas. The girls spent many days decorating the Christmas Star and practicing the songs. Then on the evening of January 7, the carolers assembled and one of the boys, carrying the star they went about the campus singing their songs. This was greatly enjoyed and appreciated by the other students.

GIRLS START DRIVER TRAINING

The 9th and 10th grade girls are taking driver training under the direction of Mr. Burright. They all hope to qualify for driver licenses. It is amazing what is necessary to know to drive a vehicle. Not only are there the city and state regulations as to speed, stops and starts signaling but also the ability to do many things at the same time.

SOPHOMORE GUIDANCE MEETS

This year the 10th grade students have had the opportunity to meet once each month as a department group and once each month the groups are combined. Mr. Wright and Mrs. Pentecost and student committees have planned a very helpful program. Special guest speakers have been: Mr. Walters, superintendent; Mrs. Brannon, principal; and Mr. Fredrickson, guidance department head. These meetings are especially helpful to students in understanding requirements for college as well as other types of work, as: selecting a vocation; college entrance; loans and scholarships; needs for education; vocational school.
