

Living in a Girl's Dormitory

Chemawa girls enjoying a singing session in the music room.

ACTIVITIES

There are many kinds of activities at Chemawa School. So many in fact that I sometimes have to choose which ones I want. Girls activities include such things as playing volleyball, kickball, touch-football, basketball, prison, and track. Boys can take part in football, basketball, touch-football, track, cross-country, weightlifting and swimming. There are outdoor basketball courts as well as the gym.

On Friday and Saturday nights, there are movies and dances for both boys and girls. Besides these activities, we have opportunities to go on field trips, attend church in Salem, go down town shopping, and find Saturday employment.

Lorraine Angnaboogok

PLAYING BILLIARDS

During the past month boys seem to enjoy playing billiards in the gym. There are several different games that they play. The tables aren't in good condition, but this doesn't make too much difference in the game. The pool room is full of boys most of the time. They seem to enjoy competing against each other. Some are getting to be good players, but a few are still learning the game. There will be a lot of good players on campus.

In order to play we have to keep the room clean and follow some rules.

We have fun and pass the time away when we have nothing else to do.

Edward Loon

Is your dormitory life like that of your home life? Do you enjoy living in the dormitory?

In Winona Hall, where I live, it is very nice and comfortable. We have nice furniture for our rooms, and a very nicely furnished living room. We have radiators in every room. If it gets too cold, we can turn them on. We have washing machines, dryers, and irons with which we can do our laundry. Baths upstairs and downstairs are well-equipped with the necessities.

We have TV in both recreation rooms and are allowed to watch from 6:00 to 8:00 p.m. each weekday and from 3:00 to 8:00 p.m. on week-ends.

We also have a telephone which we can use to call friends who are off-campus.

You can make your dormitory a home away from home if you want to. You'll enjoy it much more if you do.

Pat Standifer

RELIGIOUS ACTIVITIES

Rev. Wm. H. Stevens, Jr. will again serve as coordinator of Protestant Religious Activities, being appointed to Chemawa for the third year as an executive staff member of the National Council of Churches. Many returning Protestant Sunday School teachers will serve this year when Sunday School classes start in a few weeks.

No regular priest has been assigned to our Orthodox students as yet, but through correspondence with Archbishop John of San Francisco, Father Theodore Micka has visited our campus on two occasions, conducting divine liturgy for several mornings, and holding one Sunday service. On his second visit he was accompanied by the Right Rev. Bishop Vladimir of the Japanese Orthodox Church and Father Arikawa of Japan. Bishop Vladimir was a priest in Alaska, and knew several of our Chemawa students from Unalaska. He will contact their parents to tell them of his visits to Chemawa.

The leaders for the Roman Catholic students this year will be Father Randolph Doucette, from Serra High School, who will conduct Mass each Sunday. Mr. Larry Quilici, seminarian from Mt. Angel, will head the seminarians who will serve as catechism teachers.

Dr. Ronald Jolly and Mr. Ron Brown will again lead the Latter Day Saints students.

KITCHEN DETAIL

"Boy oh Boy!" "What a day this is." Every morning I get up and say this, I get out of bed drowsy and sleepy and try to get to work in the kitchen. It is a real chore to dress, "Boy! oh Boy! this is too early for me."

After I dress I wash up and make my bed before I go. This is quite a chore for a little hobo like me, but I am getting used to it now. I finish my work in the kitchen before I go to class. By the time I get to school I am wide awake. That's the way it is when you have kitchen detail.

Jack Morry

Special student group dinner being served in school kitchen.

CHEERLEADING

A lot of cheering and voting took place before the pep club finally chose Gloria David, Betty Hofseth, Kathy Inga, Sally Petluska, and Gladys Wells, as this year's yell leaders. Practicing regularly 12 hours a week on preparation for directing the cheers of the Pep Club, at our sports activities. A number of girls tried out before the Pep Club finally made these five their choice.

In interviewing Mrs. Jones, our recreation leader, we found that the Cheerleaders are working on several new routines which they hope to put into practice early in the football season.

Each Cheerleader will be identified with their name on the left side of their uniform. Marion Amos will participate as student coach and assistant in helping the cheerleaders and will accompany them on all away trips.
