

Win Closes Basketball Season

Chemawa High School's cagers closed the basketball season on the strength of three straight wins. The Braves downed Saint Paul 75-63, avenging an earlier 61-59 loss at the hands of the Bucaroos; scalped the MacLaren Hawks, 75-39; and added the final feather of the war bonnet by knocking off Oregon State School for Deaf, 70-48.

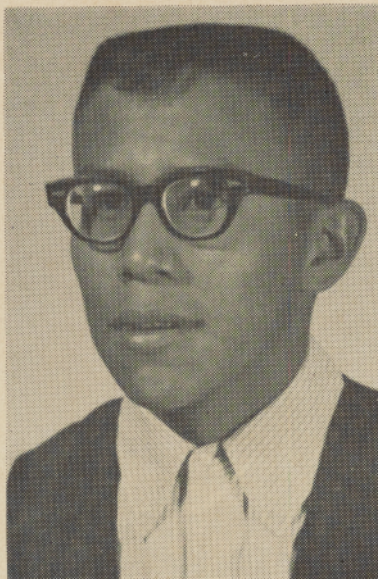

Head coach Martin Vogler, in his first year at Chemawa, felt this was a fine season, although his cage squad enjoyed only a 5-7 Marion "B" League record in the Major Division. However, this did net the Braves undisputed possession of fourth place in the league. Chemawa enjoyed a little more success outside the league, moving to a 9-1 record. The Braves finished the season with a 14-8 record.

Despite the loss of several key players, Chemawa netted nine wins out of their last thirteen games. The Braves will miss fine performances of Dennison Begay and Jeffory George next year, as both ended their careers as Chemawa basketball players, with good hustle against O. S. S. D. Begay hit the nets for 20 points, as George came up with 12 points.

George led the point production for the remaining players, scoring 264 points for a 12.5 game average. Wilbur Begay, who did not finish the season, topped all scorers with 292 counters, for a 14.6 game average. Harry Y. Begay and D. Begay were next with 224 points and 181 points, for a 10.2 and 9.1 average, respectively.

Varsity letterman for the season include, George H. Y. Begay, D. Begay, Kee John, Harry Begay, David Galakationoff, Charles Sakeagak, Clifford Davis and James Chokwak. Returning letterman to next year's squad will be H. Y. Begay, Sakeagak, John and H. Begay. In addition to these boys, Chemawa will have the services of Kee Wilson, Tom Katoney, Herman James, Jimmy Charley, John Leavitt, Detlef Wulf and Alvin Edenshaw. Wilson and Katoney, both up from the junior varsity, played some good basketball for the varsity this year.

Ed Bartlett's junior varsity enjoyed another fine season, finishing with a 21-1 record. Salem Academy stopped the little Braves' winning streak at 38 wins in a row, as the jayvees compiled a 21-0 record for the '64-'65 season. Bartlett's J. V. cagers are now 42-1 for two years.

Field Trips Are Important

One of the best things about attending Chemawa is that the students get to go on many different tours and field trips. The three buses that the school has, travel many thousands of miles each year. The trips include such things as: Basketball, football, and track trips; educational tours; trips touring the community to view Christmas lighting; and trips with the boy scouts.

Trips have been taken to such places as Oregon Museum of Science, Oregon Historical Museum, Montgomery Ward's, Mayflower dairy, Freight Liner factory, Lloy's Center, Astoria Coast Guard base, and many musical concerts, plays and social events in the community.

Girls Basketball Has Short Successful Season

The Chemawa Girls Basketball Team has had a short season but a successful one. They have played two games with Hillcrest and have won both of them.

What they really like is the social hour after the game when they get together with the opponents for refreshments.

Track Star Gets Mention In Statewide Listing

The many hours spent in training has been reflected in the performance record of one of Chemawa's capable cinder men.

Stanley Begay, a senior track star for the Braves, has received word that he has been selected on the basis of his record in competition to be ranked in Who's Who in Oregon Track and Field 1965.

From the information submitted by the Oregon High School Coaches performers were ranked according to time and distance. The twenty-five top performers in each division are listed in the booklet.

Last-Minute Change in Cast Doesn't Hinder Play

Seven days before the first performance of the Junior Class Play, one of the supporting actors, Wasie Wassillie, was hospitalized for surgery. A substitute, Eugene Makarin, stepped in to take his place, Eugene only had a few days to learn the part and memorize the lines.

In spite of the sudden change the play went on at the scheduled time.

Those who saw it were convinced that the three act comedy, Beef Stew, was a big success.

Business Procedures Students Get Training

Students of Mr. Giedd's Business Procedure and typing classes are getting first hand experience by working in different offices on the campus. Home Economics, Vocational shops, and Academic are all getting the advantage of additional help by having these trainees.

Student works for 15 days in an office. Then they are replaced by another student. This gives them an opportunity to find out what office work is. Most of the students enjoy the work.
