

SENATOR MORSE BRINGS FLAG

It all started ten months ago, when Senator Wayne Morse was visiting our campus. He promised us at that time that he would secure a flag for the school and have it certified as having been flown over Capitol Dome in Washington D. C. On January 7, he kept that promise. Students met in the auditorium at 3.00P. M. for the presentation.

The Senator spoke to us briefly about bills that were passed to let schools have federal money for use in special educational programs. At the close of his remarks he presented Sheila Aga, our student body

the close of his remarks he presented Sheila Aga, our student body president, with the flag and certificate.

The senator then toured the campus and buildings finally ending up at Winona Hall, where the girls had prepared a reception. It was to see that a great man thrilling to notice that a person as busy as Senator Morse would take time to stop and drink coffee and talk with students.

Seniors To Visit Bay

Announcement has been made that a group of 37 seniors and their escorts will be chosen to make an 8 day trip to San Francisco Bay Area.

The purpose of the trip is to get the students acquainted with as many different jobs in industry and schools as possible. This helps the graduate make up their mind about what they want to do after they end their school life here.

They also get a chance to learn about living in the big city. They have to budget for their own meals and live in hotel rooms.

HEALTH CENTER NOTES

Tuberculosis is very contagious and where there are many students living so close together we must be especially watchful. This is the reason that we take skin tests and chest films.

Last year, Chemawa started something new. Everyone took INH pills. Prior to last year there were an average of 7 cases of tuberculosis each year. Last year, only one case was found. This year there have not been any as yet. Let's hope that it stays that way.

So, if you are supposed to be taking INH be sure and take your pills.

Mickey Eleshansky

Senator Morse shakes hands with Lou Moore while another student, Patrick Deets, waits to talk.

STUDENT COUNCIL EXCHANGE

On January 3, Chemawa Student Council Members and Representatives were invited to a council meeting at Dallas High School. The purpose of the meeting was to exchange ideas on how different councils run their meetings.

We were warmly welcomed by the Dallas Council and enjoyed meeting with them. We were able to exchange some ideas and make some new acquaintances.

After the meeting adjourned we picked up our lunches in the cafeteria and ate our lunches in the senior class meeting. After lunch we were given a tour of the school.

Dallas Council Members will be returning the visit sometime soon.

Biology Lab Has Strange Pet

No one really bothered to find out if it was a he or a she. They just took one look at that nose and tail and decided that Twiggy would be a good name. In reality it is an opossum that some of the boys found on campus and brought to biology class.

When cornered this one did the usual for these animals and played dead, even allowing the boys to get hold of its tail and carry it into the class.

The shop classes made a metal cage for it and it seems quite content with its diet of dog food and the companionship of the guinea pigs.

The opossum is not a native of Oregon, but they have been brought in as pets. Enough of them have escaped that they are now quite plentiful and seem to survive well.

Chemawa was, as far as we can find out, the first high school in The United States to have a mobile computer on its campus.

HONOR ROLL

We congratulate the following students for having earned a 3.0-B grade or better for the first semesters average in the 1967-68 school year.

Seniors:

Edward Barr	Nicholai Lekanof
Alice Booth	James O'Malley
Dorothy Hotch	Elmer Williams
Bernice Jung	

Juniors:

Jane Akootchook	Anthony Melovidow
Martin Alexie	Annie Moore
Alfred Beaver	Olive Nichols
Grace Begay	Moses Owens
Alvin Boskofsky	Alice Paul
John Chiquito	Madelyn Reft
Barbara Cleveland	
Lilly Crank	Elizabeth Semeken
Robert Ekstrom	Andrew Stephanoff
Mickey Eleshensky	

Susan Grandson	Henry Tachene
Lennie Halkini	Fannie Tritt
Steven Horn	Jay Tsinnijinnie
Bobby James	Emily Tsosie
Claudia Lind	Lyle Walker
Peter Martin	Eva Wilson
	Kee Wilson
	Ellaney Yazzie

Sophomores:

Nelson Begay	Roy Nageak
Wilbur Begay	Annie Oldfriend
Sally Fred	Floyd Onesalt
Tim Glazier	Fenton Rexford
Larry Hunter	Edna Riley
William Igkurok	Pauline Small
Regina Katelnikoff	
Benjamin Linn	Henry Yazzie

Freshmen:

Martha Akpic	Pavila Pavila
David Andrew	Nick Phillips
Leonard Chase	Willie Kasayulie
Paul Dock	Natalia Macar
Rose Fitka	Marie Neokok
Byron George	Olinga Nicholi
Mary Glazier	Katie Olympic
Timothy Hoover	Marian Shavings
Agnes Lewis	Enoch Tooyak

TWIGGIE

Chemawa is one of the words in the Indian language that has had several meanings given to it, but there seems to be little evidence for choosing an accurate meaning.

Some of the most popular names have been Indians Happy Home, Our Old Home, True Talk, and Gravelly Soil.
