the Junior Varsity wound up another good season of basketball. They weren't always on the top end of the scoring, but they did manage to win 7 of their 10 games and the statistics indicate that they might turn into good varsity material for another year.

Scoring averages for the 10 game season was 65.1 points per game. They were able to hold their foes to a 48.7 average.

Field goal attempts were a good .340 percentage, while they hit a solid .492 from the free throw.

BRAVES CONCLUDE B' LEAGUE PLAY

The Chemawa Braves have just wound up their final year in the Marion County B League with a 13-5 record, one of the best in three seasons. Next season the Braves enter the Capital Conference A-2 division.

Returning regulars next season will be the teams leading rebounder Percy Frisby and sophomores Hubert Hobson and Sam Leavitt.

CHURCH LEAGUE HANGS ONTO FIRST

Chemawa's Church League Basketball Team was able to hang onto first place even though they were defeated twice in league play.

The church league is made up of various teams in the community and each is sponsored by a local church or youth group.

The team members are high school students, who for some reason are unable to play on a regular varsity team.

Competition is not as rugged as a regular interscholastic program but the boys have a chance to play some good games and get acquainted with other fellows in the area.
