The Class of 1969 began its graduation festivities as guests of honor at an informal tea by Winona Hall and the Vocational Cooking Class on the afternoon of May 7.

The tea was enjoyed by the senior students and staff members. The food was prepared by the Vocational Cooking Class and served by the waitresses in training.

The Senior Banquet was held at the dining hall on the evening of May 14 at 7:30 p.m. The theme of the banquet was 'Isle of Golden Dreams.' The speaker for the evening was Mr. O'Brien.

The seniors started out with a 9 a.m. brunch the morning of May 15, Senior Skip Day. The remainder of the morning was spent sun bathing, watching TV in Winona Hall living-room and games at McNary Hall. The seniors received their annuals, the Chemawa Chief, following the brunch. From 1:00 to 3:00 p.m. the students enjoyed dancing in the north end of the gym and the recreation room of the Chemawa store was also open for their use. At 3 o'clock, the seniors went to the auditorium to see a play presented for them. After 4 p.m. the seniors went back to the regular campus schedule.

At 7:30 p.m., the evening of Sunday, May 18, the Baccalaureate Service was held in the auditorium. Eugene Bourdukofsky, Student Body President, gave the speech entitled 'Man to Man.'

SENIORS LEAVE FOUNTAIN AS CLASS GIFT

The Class of '69 selected a fountain as their gift to the school. It is being placed in front of the dining hall between the two entrances.

When finished it will throw five individual sprays into the air in an umbrella shaped pattern. At night, colored lights will come on alternately in three colors.

The fountain has been built by the students themselves with the expert help of plant management and vocational shops.

The final touches will be given with a mosaic tile design around the outside of the fountain rim and some colorful paintings on the center portion.

SENIORS MAKE PLANS FOR FUTURE

This year's graduating class has been busy planning their future. In spite of the fact that this is the largest graduating class, almost all of the graduates have made plans for going on to school.

Nineteen of the 26 seniors who have made application to regular or junior colleges have been officially accepted. Only four boys did not sign up for advanced training and all four of these have enlisted or will enlist in the armed forces. Five of the girls did not make application for advanced schooling, but of this group, one plans to be married on the day of graduation, one plans to make application in September for a school in Los Angeles, and the other three girls are undecided at present but hope to go home and think about it for awhile.

Harry Moore has already left to work on 'The North Star.' He is the first to be hired by the 'Star' in Chemawa's history and Fannie Tritt will be the first Chemawa student to be accepted for stewardess training by a major airline--Trans-World Airlines.
