

STEWART STUDENT COUNCIL VISITS CHEMAWA

The Chemawa Student Council hosted the Stewart Student Council: Seated, from left to right are: Phillip Titus, Patty Crane, Jeslie Kaleak and Wilbur Begay. Standing, from left to right are: Mr. Azure, Wilma Ami, Jody Gibson, Anthony Johnson, Betty Kee, Mary Jane Chico and Mr. Earnest Rucker.

Recently on campus were five representatives from Stewart, Nevada. The students were members of the Student Council there and came to Chemawa on January 27th and stayed through January 30th.

The purpose of their visit to Chemawa was to see how it differed from their own school. They spent time with our Student Council to see how it functioned and to

acquaint themselves with new ideas.

Anthony Johnson, President of Stewart Student Council, led the group to Chemawa. Other members visiting were Jody Gibson, Mary Jane Chico, Betty Kee, Wilma Ami, and Mr. Ruckett, the Student Council Advisor.

During their visit, they stayed in the dorms and met with the Student Council

and various people on campus. Mr. Azure, Chemawa's Student Council Advisor, commented on the visit: "It was a good visit for both our students and theirs in order to exchange ideas for students and staff of both schools. The (Chemawa) Council hopes that they can return the visit".

CHEMAWA CHATTER

To get in the spirit of Valentines Day, the girls of Winona Hall are going to have a decoration contest among the units. Besides beautifying the dorm, the unit that has the best decorations will receive a box of chocolates. So stop by around Valentines Day and see the pretty decorations and . . . if you know the right people, you might even get a piece of candy!!

Mark February 22 on your calendar! It's George Washington's Birthday and McBride Hall is sponsoring a "Happy Birthday, George Washington" dance from 7:00 to 10:30 P.M. in the school gym. Dress will be school clothes. Door prizes, including Cherry Pies, will be given away. Miss February of McBride will be crowned at the dance.

Hooray!! No school February 23. Since Washington's birthday (February 22) falls on Sunday, the following Monday becomes a federal holiday. Washington is the only President whose birthday is celebrated in this manner. So, thank you, George Washington, and Happy Birthday.

DID YOU KNOW

-that Mrs. Olivia Thompson from Administration received her 30-year B. I. A. service pin?
-that the Business Education Department has a new printing press, so we now have a bigger Chemawa American?
-that Mr. McNabb retired after 12 years at Chemawa?
-that The Chemawa Chief is now at the printers?
-that Mr. McAnnally's shop classes are building outdoor basketball podiums and even boats!?!?
-that the Business Education Department (bless their hearts) will help you with your State and Federal taxes?
-that Mr. Morrow's students are growing exotic herbs to sell in the spring?
-that the Special Ed. classes are building (would you believe?) anemometers?
-that some Modern Problems students get to visit the new, experimental John Adams High School in Portland?

WHO'S NEW?
