

A Last Farewell From The Group In The Next Column

TO THE SENIORS OF 1973
FAREWELL AND GOOD LUCK FROM
THE CLASS OF 1972

It is time to turn in our Modern Problems books so that the Seniors next year may use them. Also we would like to turn in some advice that the Seniors may use.

"Be prepared with lots of energy and smiles to make it through that last year of high school."

Right now it may not seem so real, but when the time comes to plan a banquet, a skip-day, Senior Breakfast, Baccalaureate, and the graduation, will your class be ready for that up-hill climb?

For the executive officers, it will be your thing to get the Class of '73 in line for marching. Take a deep breath and smile a lot when the time comes.

Well, '73'ers, God Bless you all, Good Luck and take good care of Chemawa Indian School.
