

Girls Finish Basketball Season

The varsity girls had a rough season this year. Their record was three wins and eight losses. The main problem for the girls was height. Next year the girls may not be as tall but they're known for not quitting.

The JV girls have just finished a fantastic season. The record for them is nine wins, two loses. Cascade beat them both times. Congratulations, girls, for a hard earned season.

Three Named To All-Stars

Monday, March 1, Capital Conference coaches get together and selected players for the All-Star Team. Debbie 'Chick' Smith was chosen second team All-Star. Carrie Simpson got honorable mention.

Way to hustle, girls!
