

Latest Plans for 1976 - 77

Dorm Officers Elected

When we come back this fall the Chemawa campus will have a whole new look.

They will be tearing down all the dorms, Hawley Hall, Auditorium, Academic I, and the store.

The only buildings to be kept up are Administration, the Gym, Academic III, the Library, the Bank and the Auto Shop.

No decision has been made on the other shops.

The students will be living in modular dorms - thirty-two students will be living in each dorm.

Some modular units will also be used for classrooms, dining hall, and recreation area. The recreation area will include a student's store run by the students.

On Tuesday, June 22, dorm officers were elected for the summer session.

The following were elected into office:

President - Darla McCullough
Vice-President - Juanita Reyes
Secretary - Cindi McCraigie
Treasurer - Debbie (Chick) Smith

Boys' Representatives Robert Walker
Buddy Gibson

Due to the small enrollment of students going to summer school, everyone is staying in Winona Hall.
