

# Horrible Horoscope

**AQUARIUS** (Jan.20-Feb.18):(The Water Carrier) Didn't anyone ever tell you the wet head is dead? Nevertheless, you can look for success in plumbing for pressure as well as waterbed repair.

**PISCES** (Feb.19-March 20): (The Fish) About this time of the year you'll have an uncontrollable urge to swim upstream. If you are seriously concerned, wear a life preserver and carry an anchor.

**ARIES** ((March 21-April 19): The Ram) You are a very busy and outgoing person, however, you are quick tempered. Today you have a tendency to push into everybody's business.

**TAURUS** (April 20-May 20): (The Bull) The sign of the Bull doesn't necessarily mean you're a stud. But don't let it go to your head. Today is your chance to go out and grab them by the horns.

**GEMINI** (May 21-June 20): (The Twins) Even though you were born under the sign of The Twins, there is nobody on earth that looks quite like you.

**CANCER** (June 21-July 22) (The Crab) The sign of the Crab not only represents your personality, but the way you walk as well. Today, in particular you will have an uncontrollable urge to return to the sea and eat saltine crackers.

**LEO** (July 23-Aug. 22): (The Lion) Being born under the sign of the Lion, you're courageous and trustworthy and an alcoholic. You're the cagiest of all. No wonder you spend most of your time behind bars.

**VIRGO** (Aug. 23-Sept. 22) (The Virgin): Being under the sign of the Virgin you are unemotional, overly cautious of unknown situations, and new experiences. You are good hermit material.

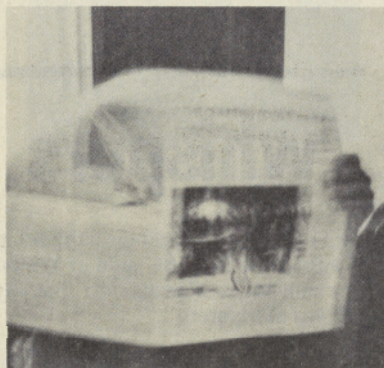

**LIBRA** (Sept. 23-Oct. 22): (The Balances) Being under the sign of the Balances doesn't actually mean your always staggering around. Don't throw your weight around today. Don't over eat or drink. Cause you can drown.

**SCORPIO** (Oct. 23-Nov. 21): (The Scorpion) You are a brave and courageous person. People can't see you because you are so small. No wonder they put their stinky feet in your big mouth.

**SAGITTARIUS** (Nov. 22-Dec. 21) (The Archer) Lacking in both animal instincts and human ability, you don't really have a sense of whether you are human or animal. Today you have troubles making up your mind. People think you are absentminded.

**CAPRICORN** (Dec. 22-Jan. 19): (The Goat) You are a very down to earth person. You expect people to live up to your expectations. Try again cause you're standing on a cliff.
