## whispers

DETECTIVES! - Strange happenings in a room on the girls' side of Winona. The only clue - a sweatshirt that says "Trees of Mystery".

She says they were out all night. He denies it. What really happened?

The Great Van Robbery! Food bandits on the loose!

Who's the Silver Fox who really knows what goes on behind closed doors?

And then there's the Mystery Man who knocks on windows looking for a certain someone.

## What Would You Do...

Violet	I would go ape
Rozella	Have a ball
Teresa	Mess around
Sam	Freak out
Sharon	Indulge on food
Susan	Go on more trips
Bill	I don't know
Robert	Play foosball all nite

## Complaints

Recreation activities are all the same.

The staff make too many write-ups on students on every little thing they do.

The mail is UNREAL - it doesn't come in on time.

The staff should wake up everybody in the morning.

The dryers in the dorm don't work.

Why should they give us a pass, cause people down town don't ask us for a pass?

People don't do their share in the dorm, like details.

Why do they lock up the foosball early on weekends?

Too many staff on weekdays and weekends.
