

UFO's Sighted

Think you've been seeing UFOs? Well try again! It's ROCKETS! The students of Winona Hall are making rockets, by the help of Recreation, so that the students will have more activities going on in the summer school project. This type of activity will be going on all summer.

After the student has completed his or her rocket, they may have the pleasure of setting them off, and this, of course, explains the Unidentified Flying Objects.

Student Center

Many students were wondering why the Student Center was closed for the summer. Mr. Seare said that the Student Center was closed because they're supposed to rebuild it.

But they opened the Student Center this summer because Mr. Steel's store was going to close down. Many students wanted the Student Center to be open too.

To Hog Jaws from us
(Theme from Jaws)

TO Jude from us - You're so vain

To Chuck from the Girls
100 Bottles of Beer

To Mooney from Dar
Wild Wood Weed

Pool Tournament

Recreation put on a pool tournament for the students of Winona Hall on the weekend of July 10, 1976. There were both boys and girls involved in this pool tournament.

First place, boys, was Mitch Boyd; second place, Chuck Comenote; third place, Hugh Patkotak.

Girls, first place, Elizabeth Panik; second place, Darla McCullough; third place, Violet Nanpooya.

The prizes were also donated by recreation. A trophy was given to the first place winner, \$5 for second place, and a poster for third.
