

HOMECOMING 1976

Homecoming at Chemawa is... Clean-up and Float Building...

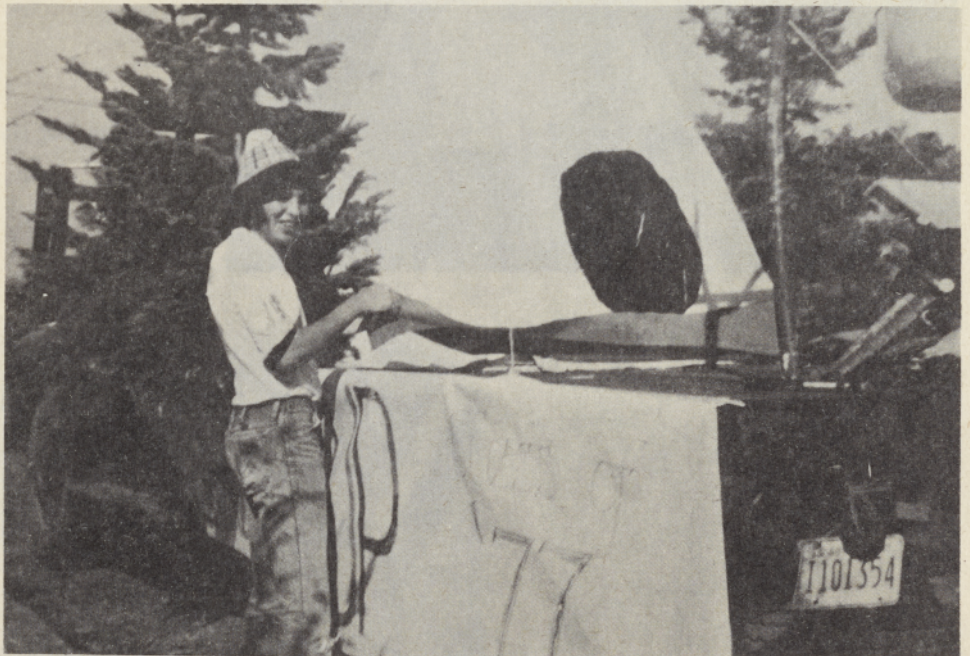

We hope that you will keep in mind that these photos are limited to some of the activities.

All students and staff involved in Homecoming did a good job and should be proud of their effort.

A special pat on the back to the seniors and Unit 2 for winning the float and dorm decorations contests, respectively.

We also thought that the dance decorations were well done. Last, but not least, it was nice to win the Homecoming football game.

Loren Bowmen helps with the campus clean-up for Homecoming. Photo by Lewis George.

Bill Sharp has a good time as he works on the Senior Class float. Photo by Mike Sands.
