

Membership in the National Honor Society is available here to those students who most effectively combine their abilities with the educational opportunities Chemawa offers.

Students are selected upon satisfying specific requirements designated in the Chapter Constitution. These include excellencies in Character, Scholarship, Leadership, and Service. The requirement in Scholarship is met by maintaining a 3.0 Grade Point Average through grades 10, 11, and 12.

The National Honor Society, in existence for 60 years, is an institution known and respected among educators throughout the world. Its purpose is to acknowledge, nurture, and honor those high school students who, by their continuing commitment, give promise of future outstanding achievement.

Membership in the National Honor Society is an important and happy milestone for those who are thus honored.

Miss Juliene McCovey and Miss Peggy Sue Gomez are Chemawa's National Honor Society initiates for 1981.
