

UP UP AND AWAY

Five Chemawa students had a ride "up and away" in a red, white, and blue striped hot air balloon on Tuesday morning of May 12. They were Jeff WhiteBear, Leland Bearcomesout, Tina Lyle, Butch CreeMedicine, and Tami Williams. They went up 900 ft. and could see all over Salem. Jeff had the additional experience of seeing the balloon rolled out and inflated and of learning something of the technical side of hot air balloon operations.
