DRAMA CLUB PERFORMS

Once again Chemawa has a Drama Club and recently the club performed for the students and staff.

Under the direction of Arlene Isaacson and Donna Napier, the students enjoyed the thrilling, chilling Halloween tales told by the club's guest, super star, Larry Meier. Mr. Meier, who directs the Thunder Lodge Story Tellers, is a professional story teller himself.

With the club adding the finishing touches to the stories and Sallie Ritchie providing the music, the Drama Club began the year with a great success.

The club consists of students from the freshman class to seniors. Each member shows the necessary talent, skills of cooperation and the willingness to work toward future performances.

Ms. Isaacson contributes directing, music and dance skills and Mrs. Napier, who has directed many school plays, works with dialogue and organization of the club. The two make an outstanding team and both love working with drama.

The club is now busy organizing a Christmas assembly.
