By far the greatest crop of wheat ever produced in the three states of the Pacific northwest is likely this season. A preliminary estimate of the crop with its increased acreage would give close to 80,000,000 bushels as the totals of Oregon, Idaho and Washington during 1912.

The body of Colonel John Jacob Astor, recovered from the sea where the liner Titanic went down, was buried beside that of his mother, in Trinity cemetery on Washington Heights, New York.

Political News Bits

Governor Woodrow Wilson is confined to his home with an attack of influenza.

Ex-senator Albert J. Beveridge of Indiana has arrived in California to throw the might of his oratory into the campaign for Colonel Roosevelt.

Oscar W. Underwood carried Mississippi in the Democratic presidential preference primaries held Monday. Governor Wilson was his only opponent.

Oscar Underwood of Alabama is Georgia's choice for the Democratic nomination for president. Florida's delegates are also instructed for Underwood and Alabama will give him 24 votes.

Returns from approximately one-half of the state of Texas show Woodrow Wilson far in the lead in the number of instructed delegates to the Democratic state convention, selected at county conventions held Monday throughout the state.

"Theodore Roosevelt will be the Republican and Champ Clark the Democratic nominees for president this year, and Champ Clark will be elected." This is the prophecy made by Mrs. Jerry Simpson, widow of the former Kansas congressman. Mrs. Simpson is a spiritualist, and relates several recent talks with the spirit of her husband.

In the claims sent out by rival managers from Washington, the Taft men claim 493 elected delegates and concede only 229 to Roosevelt. The Roosevelt people claim 291 for their candidate and concede 137 to Taft. The Roosevelt people have started contests against 154 of the Taft delegates, and the Taft men are contesting 12 of the Roosevelt selections.

MISSISSIPPI RIVER IS STEADILY RISING

Governor Orders Militia Officers to Compel Negroes to Work on Levees.

New Orleans.—Large sections of 15 Louisiana parishes west of the Mississippi river are under water, four other parishes have some flood water and are bound to get more.

Thirty persons were drowned in Coupee parish when a flood of water from a break in the levee rushed suddenly into the district. Survivors reported that 12 bodies had been recovered and declared the death list probably would total 50.

Approximately 100,000 persons have been driven from their homes and about a dozen lives have been lost. Refugees are sheltered in cabins, churches and lodge buildings.

Urgent appeals for boats to be used in rescue work have been sent to Governor Sanders.

Millions of dollars' worth of property is at stake, and thousands of lives would be jeopardized if some of the big levees gave way.

Lack of labor, due largely to the unconcern of the negroes, who have been drawing government rations, has been a most serious drawback. Governor Sanders has ordered the Louisiana militia to round up 500 negroes and compel them to do work on the levees. Nearly all the negroes refuse to work as long as they draw government rations.

Astor Millions Left to Son.

New York.—Counsel for the family has made public the will of John Jacob Astor. Vincent Astor, a son, who will come of age within the year, is made the principal beneficiary and residuary legatee. Aside from provisions for Vincent Astor, the will provides for unconditional bequests of only \$276,500.

Oregon Candidates Out \$58,288.

WASHINGTON FOR CLARK

Attempt to Stampede for Bryan Made by Wilson Forces.

Walla Walla, Wash.—Clark managers stood off an attempt to stampede the Democratic state convention for William Jennings Bryan, voted an endorsement of the speaker of the house, put through their own slate of delegates, bound them by the unit rule and programmed a formal endorsement of Clark's presidential candidacy by the delegation.

It was the finish of a remarkable political upset and one that Democratic state chairman C. G. Helffer, western manager of the Wilson campaign, refused to stay and witness.

Together with Mayor George F. Cotterill and most of the other members of the King County delegation, Helffer tore off his convention badge when the convention by an overwhelming vote decided to seat the two contesting King county delegations with half a vote apiece, and a few minutes later walked out of the hall.

John Pattison, of Spokane, was unanimously elected national committee man.

OROZCO COMMANDS GOMEZ TO QUIT

Escalon, Mexico.—General Pasqual Orozco has refused to recognize the provisional government established by Emilio Vasquez Gomez at Juarez. Orozco, on the march southward, telegraphed Gomez, threatening him and his associates unless they left Mexico.

The creation of any civil government prior to the successful termination of the war has persistently been opposed by Orozco.

In his telegram to Gomez Orozco declares that he would have been glad to have had Vasquez Gomez come into the rebel zone and work with him in the interests of the revolution, but the Gomez government in Juarez was a thing he could not countenance.

Prison Physician is Ousted by West.

Salem, Or.—Not only did Governor West definitely discharge Superintendent James from the head of the state penitentiary, but he once more swung the political ax by discharging Dr. Byrd as penitentiary physician. STEEL HEARING HAS BEGUN

Suit is Most Important Ever Begun by Government.

New York.—Hearings in the trial of the government's suit to dissolve the United States Steel Corporation under the Sherman anti-trust law have begun here before Henry P. Brown, of Philadelphia, who was appointed special commissioner to conduct the hearings.

The American Steel & Wire company, one of the biggest of the subsidiaries of the United States Steel Corporation, was a partner to pool agreements with other manufacturers, whereby prices in United States government bids were fixed and the business divided among the pool members, according to the testimony submitted.

The evidence was introduced by the government in support of its contention that the American Steel & Wire company was itself an illegal combination.

SUFFRAGETTES MARCH IN MONSTER PARADE

New York.—With banners flying and bands playing "The Boy I Left Behind Me," the great army of suffragettes, the biggest public demonstration of women ever seen in this country, marched up Fifth avenue. It is estimated that there were 20,000 marchers in line.

From Washington Square up Fifth avenue to Fifty-seventh street and thence to Carnegie hall, great enthusiastic crowds lined the way; windows balconies, roofs and sidewalks filled with admiring and cheering throngs for the plucky women taking the two and a half mile walk to demonstrate the earnestness of their supplication for the ballot.

So great were the crowds at Washington square when the marchers began to gather that the reserves were called out to clear the street and square for the delegations of suffragists assembled there.
