TRASH TALK

Q. I have Holiday string lights that no longer work. What should I do with them? Tori, Wasco County

A. Tori, Those light strands are not recyclable at curbside. If you bring them to their Transfer Station in either The Dalles or Hood River, they can be recycled as 'scrap metal' because of the valuable copper wire. Ask attendant. Remove any large bulbs. Also, consider carefully saving boxes, paper and bows as packaging for next season.
