> Two of Gilliam County's Leading Firm Victims. Fossil Journal

About the 20th of April a man app ed in Fossil and called at Hoover, Watson &Co.'s store to cash a check of \$59 on The Dalles National Bank, signed B. S, Kelsay, payable to Joseph Hobson. Mr. Mires hesitated about taking the check, but seeing Mr. B. Kelsay, father of B. S. Kelsay, across the street, called him over. He identified the fellow as being a man who worked for his son near Antelope handwriting to be his son's. Mr. Mires then cashed the check.

The fellow went on to Arlington and first check, to Coffin & McFarland. This

ively, and went in the regular course of business to the banks in The Dalles. which the larger was drawn. The other they were placed in The Dalles supposing Mr. Kelsay had used a check of the Dalles National by mistake, went to the When Mr. B. S. Kelsay visited The

from the general government in the matter of the construction of a portage railway around the Cascades, has at last decided to build one out of its own funds. The farmers of the Inland Empire, the merchants and trades-people of Portland and residents of the state generally (since whatever benefits one section, is in a greater or less degree a benefit to all), will rejoice that the question of "how not to do it" has at last been settled, and the dependence upon outside assistance being broken, that self-help has been intelligently determined upon, and that for the first time in all the history of the long struggle to secure an 'open river," there is a reasonable pect of the speedy fulfillment of the proposition. The late legislature, in approposition. The late legislation propose, placed it in the power of the state to help itself in improving its commercial help itself in improving its commercial sented at my office. Interest ceases facilities. The necessary red tape has been reeled off, and work will be begun on the road at once, with a prospect of completing it in time to move the vast surplus of the wheat crop of Eastern Oregon and Washington This last statement has a familiar sound so familiar, indeed, that but for the fac that there is back of it a sturdy determination on the part of the people to do it, it would be received with incredulity. The action of the board of portage commissioners in pushing this matter, in the face of official obstacles, to a point which promises long-sought relief to the concongested commercial condition of a large portion of the state, is commend-able, and will no doubt be commended by all citizens.
