A SMUGGLER ARRESTED

Judge Langely, of San Antonio, Arrested for Running Horses From Mexico into the United States.

The Dead at Martinique Will Number cuted to plaintiff a trust deed of a large Two Buildings Totally Demolished-About 250 .-- Macon, Mo., Ruined by Heavy Rains.

Roy Noan Lugley has been arrested for per cent. interest semi-annually, and the NEW YORK, Aug. 22.—One of the the silver of the world can be brought smuggling from Mexico. It is alleged principal in 1907, and also in case of de-worst disasters which ever happened in he has been concerned in running horses from Mexico into the United States. He is one of the most celebrated characters on the frontier and has been justice of the whole amount of principal in 1907, and also in case of description of the payment of this city occurred just after noon today. From what can now be learned fully if not more than fifty peaple lost their owners of the whole amount of principal lives. The accident came so suddenly and interest due and interest due and reveals and the content of the United States and coined at the expense of the government. That the United States mint must receive not more than fifty peaple lost their clears \$190,000 a mortgage should be declared to the whole amount of principal lives. The accident came so suddenly and interest due and

PARIS, Aug. 21.—The latest reports from the Island of Martinique, state 218 people were killed by the recent cyclone. This is in the coast towns; the interior has not been heard from vet. interior has not been heard from yet, latter, it alleges, were wrongfully and frauduntil reports are received from there of below the former than total number of killed will not be and until reports are received from there the total number of killed will not be officers of the company without any value being paid therefor, and that the present owners of them had full know-to or greater than in the coast towns.

almost immediately the front of the building collapsed, and the entire building collapsed. And the entire building collapsed in with a deafening crash. It is came so suddenly that it was impossible ledge of such fraud.

A Destructive Rain. Macon, Mo., Aug. 21.-The heavy rain the past few days caused the Chariton river and the Muscle fork running through the western portion of Macon county to overflow. Hay, wheat, oats, stacks and shocks were washed away. Cornfields and fences were destroyed and a large amount of live stock drowned. It is feared railroad and wagon bridges will be washed out. It is impossible to
