started on her return trip they offered to land her on the Oregon side but it was now her turn to refuse as her hus-band was not in waiting on the wharf. So the lady was paid back her money, had a square meal for herself and child-ren and a round trip ticket all for noth-ing; but she vows she will never sail on the Baker again. Served Him Exceedingly Right. The same merchant whose store front

percentage of merchandise admitted iree of duty during the year to which I have reference, the first under the tariff, was 14.18, while during the preceding twelve months under the old tariff its percentage was 34.27, an increase of 13:9 per cent. If we take the six months, ending September 30, last, which covers the time during which sugars have been ad-initted free of duty is found to be 55,37, which is a larger per centage of free imported free of duty is found to be 55,37, which is a larger per centage of free imports than during any prior fiscal year in the history of the government. If we turn to imports of merchandise, the statistics are full of prior fiscal year in the history of the government. If we turn to imports of merchandise, the statistics are full of gratification. The whole of such ex-ports of merchandise for the twelve months, ending September 30, 1891, was \$923,291,181, while for the corresponding previous twelve months it was \$960,177, 115. There is certainly nothing in the condition of our people of any class to suggest, that the existing tariff and rev-enue legislation bears oppressively upon the people or retards the commercial development of the nation. It may be

s traitor to the people for the sake of sav-ing 15 cents on a sack of sugar, let him keep his sugar. The people in that case ought not to buy it and we greatly mistack their temper if they will. t A year ago the Klickitat Leader printed t f a committee of two to assist min in arranging a plan for grading the schools of the county. This committee, consisting of Superintendent Shelly, Professor M. W. Smith, of this city, and Professor P. A Scudar of Hood River, will meet in

A Snyder, of Hood River, will meet in interval and noney has driven every opposition boat off the river as soon as plan according to their instructions which will be submitted to the teachers of the county for their consideration and discussion during the holidays.
